[Dirty Mouth]

As I pull up to the club

Jumping out of the Jag

24's still spinning with a dealership tag

Brand New

Bright leather guts and pearl blue

These hoes they choosing like a lucky horseshoe

But that's alright cause I don't pay these hoes no mind

As I stroll to the front of the VIP line

Straight in I go, headed straight to the bar

I got a superstar status, so I guess I'm a star

Haters checking me out

Now tell me what's that about?

I'ma chill to the point haters checking me out

Sipping on the Crystal

Bitches wanna get wild

Popping X and smoking dro' on the verge of my style  
These bitches calling, asking where the after party  
The Embassy Suites downtown, room 112, my darling  
Bring your friends so we can let this party begin  
And bring a box of Magnum rubbers so we can fuck till  
the end

[Jazze Pha]

Hey bitch, sign your name on the dotted line (well)  
Cause you belong to me (you belong to me, yeah)  
Hey bitch (hey bitch) sign your name on the dotted line  
(well)  
Cause now you're mine

[LA]

Just pulled up at the club  
I'm flyer than a motherfucker  
Damn, why they staring? ho, shit I'm the motherfucker  
Not the front door  
We better go through the back  
See, that was back then, now look where we at  
Straight to VIP, my niggaz, man we deep  
You gonna go through 2 or 3  
Before you get to me  
The bitch, and she a G and said "what's up for later?"  
I said "I'm 20 East, I'm headed to Decatur"  
And motherfuck the hater  
It's about this making paper  
And while she choosing hard, guaranteed I'ma take her  
So shake the saltshaker, the dro' is the vapor  
I ain't got love for niggaz cause all they try to do is

You goddamn right, I'm a motherfucker player  
So tell me how you want it  
You riding? Get up on it  
I ain't fucking with the ho if she don't know how to  
donut, for real

[Jazze Pha + Lil Jon]

Hey bitch (hey bitch), sign your name on the dotted line  
(well)  
Cause you belong to me (you belong to me, yeah)  
Hey bitch (hey bitch) sign your name on the dotted line  
(well)  
Cause now you're mine

[Lil Jon]

Hey, hey bitch  
Hey bitch get up it's time to go to work  
Time to go to work bitch, it's your boy Lil Jon

Never will I love a bitch  
Why would I trust a bitch?  
Always gonna dog a bitch  
They only good for sucking dick  
Or riding on a nigga cock  
Trying to get a nigga stock  
I'm never gonna break bread  
Not even for a little head  
I'm a player, not a cake-a-ho  
Always gotta break ho, down to the fucking floor  
You step up, I'll let you know  
It's MOB, BME  
P to the I to the M P  
No, I'm Southside  
Sorry, bitch, you better pay me

[Big Sam]

Old school white Lac pimpin like I'm Don Juan  
When I pull up on the track, I toot-a-loo my horn  
Make these hoes come running like Mike for travs  
Ain't got my money ho, you bound to get slap  
Cause I don't love a bitch and won't save a bitch  
If it ain't about money, then it don't make sense  
I'll mack a bitch and I'll pimp a bitch  
As long as she making me filthy rich

[Don P]

Just up off the pill, drinking on my beer  
Sitting on a mill, but I'm pimpin still  
Riding round the track, like Goldie in the Mack  
Still I'm Don Coreleone pimping hoes from my realm  
Mesmerized by the words coming out my mouth  
So I'm flushing money quickly out these bitches' bank  
accounts  
After that I bounce  
To another ho, in a totally different city  
For a whole other show  
They say, "why you don't call?" I say, "bitch, where my  
dividends?"  
"You always out of town" I say, "bitch, where my  
dividends?"  
"You probably in the club" I say, "bitch, where my  
dividends?"  
You bout to make me break your neck, I have to ask  
your ass again  
I'm Don a.k.a "stay pimpin hard"  
That mean hoes gonna march winter, summer, spring  
and fall  
Cause I have to ball, there's no other way  
Even if the bitch's pregnant, there's no Happy Mother's  
Day

[Jazze Pha + Lil Jon]

Hey bitch (hey bitch) sign your name on the dotted line  
(sign right here)

Cause you belong to me (you my bitch now)

Hey bitch (hey bitch) sign your name on the dotted line  
(right here)

Cause now you're mine (you mine, ho)

[Lil Jon] Get your ass up

[Jazze Pha (+ Lil Jon)]

If you get out line, I'm a slap you out

I'm a slap you out

I'm a slap you out

Better have my money (you better have my money,  
bitch)

Cause you signed your name on the dotted line

So get off your ass and get on the grind

(Get up, get out there and make my motherfucking  
money, right now)

Forgot what I am, bitch? What am I?

I'm a pimp in every inch of the word

Every inch of the verb

Every inch of the curb

I'm a hit it, like the lottery baby

Better believe it (please believe it)

Hey, yeah

If it's pimping you wanting (what), pimping you needing  
(what)

Everyday from me (from a real motherfucking pimp)

But bitch that's all I can see

Any day of the week, when you fucking with me

[Lil Jon]

If you fucking with me, you better get your ass out  
there

And make that motherfucking money

Rain, sleet or snow

Rob, steal and kill for a motherfucking pimp like me, ho

[K. Sanchez]

"Say, I'm comin at you with lines, think they lies

Just because I don't match your compatible sign

I'ma let the world see, other boos can't relate

Let you walk in front, make the other dudes hate..."
