Nothing's Free

[Lil Jon]

Lil Jon & Eastside Boys and our girl Oobie

Check it out

[Oobie]

There's something I gotta to tell you

'Cause I know that a brotha got needs tonight

I ain't trippin' on ya' pimpin' cause that shit's tight

But you gotta pay tonight

(Chorus)

I know you wanna get laid tonight

But I'm tryna get paid tonight

We ain't even gotta fuss and fight

Just hit me right, it's on all night

I know you wanna get in bed wit' me

But you gotta come correctly

Nothin' in life is free, especially not me

[Oobie]

I hope you...can feel me

When I say, pay before you play wit' me

Wanna taste this....but it's priceless

It might be something you ain't never done before,

But I'm not yo' ordinary ho

(Chorus)

[Lil' Jon]

I fell off in the club (shawty)

Not lookin' for love (shawty)

But I'm lookin' for a gurl (shawty)

One I can cuddle (shawty)

Like li'l mama in the blue (shawty)

She so god damn cute (shawty)

But she say she need cheese (shawty)

Before she dip wit' me (shawty)

Well let me see (shawty)

What it might be (shawty)

And what's your fee (shawty)

For my fantasy (shawty)
Now I ain't rich (shawty)
But I'll spend a li'l bit (shawty)
So who you wit? (shawty)
Let's do this shit (shawty)

(Chorus)

[Oobie]
There's something I want to tell you
Cause I know that a brotha got needs tonite
I ain't trippin' on ya pimpin'
'Cause that shit's tight
But you gotta pay tonite

[Lil' Jon]
What chu' talkin' 'bout? (shawty)
That didn't come out cha mouth (shawty)
You say you want some cash (shawty)
Before I hit that ass (shawty)
Not yo' boy (shawty)
I ain't no toy (shawty)
Don't play no games (shawty)
'Cause I ain't lame (shawty)
But fo' my gurl (shawty)
I'll give her the world (shawty)
Ain't no thang (shawty)
To give up that change (shawty)
I ain't rich (shawty)
But I'll spend a li'l bit (shawty)
So who you wit? (shawty)
Let's do this shit (shawty)

(Chorus)

[Oobie]
Now I'll be there for you
If you want me to
And I'll be by your side
If the price is right
Take care of me
And I'll take care of you
Nothin' in life is free
ohhh, ohhh

Ohhh, ohhhh yea yea
I gotta get paid, ooh, ohh
Now If you want me
Come correctly
It might be something you ain't never done before
I'm not yo' ordinary ho
