[Oobie:]

I'm seeing me on top of you
Doing things that lovers do
But I don't belong to you
What's a girl suppose to do
I only need one night with you
To make all our dreams come true
You could never be my man,
You can be my one night stand

[Oobie/Chorus]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

Well it's about a quarter to three
No ones lookin',
Its just you and me
You know I'm down for whatever
And I aim to please
But it's only for this one night

Boy I hope that you'll come well prepared
Cause I want you to know that
I ain't ever scared
You just got to RSVP
And I'll be there
But it's only for this one night

[Chorus]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low

And have a one night stand

[Lil Jon:]

Shawty, let me know what's up wit it (wit it)
Won't you let a real thug hit it (hit it)
Stop playin' with these lames
Ain't got no shame
The liquor is to blame (you know it)
I just go to tell you this (what's up)
Those lips I wanna kiss
That ass I gotta grab
Yo' shit I gotta stab
I got my baby mama,
You got your baby daddy
We ain't got all night
Lil mama, get it right
Yo' shit is good and tight
I ain't 'bout them games shawty (nah)
You know my name shawty (yea)
Just use yo' brains,
If you know what I'm sayin'
Its a one night stand shawty

[Chorus:]

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

[Oobie/Two Times:]

If you know how to keep a secret,
You can get it fo' sure
Just make sure you get enough
Cause you can get it no more

[Big Sam:]

Come and ride out wit cha boy (Big Sam) then fill with
almond joy
Like I told you,
I'm something just like a freak
So keep the games fo the middle of the week
Damn you look so pretty (pretty)
With yo' big ol' ass
And your tig ol' bittys
Red bone, fine self, 5'9
For one night, I gotta make you mine
Yea I know you gotta a man shawty

And you know I got a wife shawty
So lets strap it up,
I hope the pussys tight
Cuz we got one night shawty

[Oobie:]
I'm not tryin' to be your girlfriend
Just for a one night stand
And you can't never be my boyfriend
Just for a one night stand

[Chorus:]
Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand

[x2]
You'll be my man (only for one night)
And I'll be your girl (only for one night)
