But a nigga gotta see ya

With, rhyme and a head with a jab of shed

To fuck nigga bitches with nigga' wit an attitude

Child molester, prosecutor, witness, to erdicator

Deciminator, Terminator

[Verse 2: Lil' Jon]

I bring pain to ya motherfucking name

Insane, super crazy, 619 bitch jay

Sick on a damn of motherfucker epiomin child

My style's fuck up, delierous, fuck while

The game got switched on some BME shit
