Ya, full of all kinda drugs high as a giraffe pussy nigga  
Betta not get too close nigga betta not try to push me  
We got them thangs I mean them thangs that go bang  
bang  
Don't give a fuck who you is don't give a fuck if you got  
some change

Take yo niggas, take yo watch, and take yo diamond  
ring  
Way back in the game when the niggas used to have to  
sell rock cocaine  
Right now today, I'ma grab the mic and bring the pain  
Go fuckin' insane, everything I say goes straight to yo  
brain

Lil Jon on the beat 'bout to tear this bitch up out the  
frame  
You betta leave if you think you just a little lame  
Tuck yo chain don't get caught when this song here  
come on  
Look at my face that's gon' tell y'all niggas somethin'  
wrong

I heard you niggas don't like me, like me  
I know you boys wanna fight me, fight me  
I know where yo kids and yo wife be, wife be  
Bust a nigga head to the white meat, white meat

I heard you niggas don't like me, like me  
I know you boys wanna fight me, fight me  
I know where yo kids and yo wife be, wife be  
Bust a nigga head to the white meat, white meat

To speak for 'em prentendin' to see for 'em

Stick them pimp tight MJ fuckin' G 'em  
Luckily married to this .45 under my fuckin' seat  
Talkin' bullet pistol solid shootin' never shook me  
You boys can't hook me, listen to what the hook be
