All I know, is getting money getting do'

All I know, is getting money getting mo'

I'm riding in a new drop, strapped with twin glocks

I need a J-Lo, yo Jenny from the block

I'm in San Francisco, rolling up endo

Passing by Alcatraz, smoking on good grass

At last a piece of my mind, a piece of the grind

I'm hoping after that, I get a piece of the shine what

[Hook - 4x]

[Lil' Keke]

At the top of the mountain, dripping like a fountain

Show after show, mayn this do' we counting

Lick after lick, mayn it's cash we talking

Have you bet it right, cause the bullshit walking

Welcome to the hood mayn, gorillas and pits

Chickens and grits, driveby's plenty of hits

This is Hersche' Texas, we'll take your Lexus

8100 blizzock, driving cars wreckless

Say we stocked up rocked up, ready to serve

The fiends be everywhere, thirty deep on the curb

This is Hustle Town, go on get it young nigga

The older we got man, our nuts got bigger what

[Hook - 4x]

[Lil' Keke]

They sipping on Grey Goose, talking bout getting loose
I've been getting paid, since they say bout nine-deuce
Hustle do my thang, gotta get my change
T.V.'s and DVD's, lighting up in the Range
We gon floss till daybreak, bang lik earthquakes
Get up in the morning, get dressed and get cake
Ghetto competition, the stocks is high
Niggaz wanna looking good, when they sliding by
Houston Texas off the hook, that's that 7-1-3
Certified young baller, named Don Keke
Ask that nigga P, if we making that bread
C.M.G.-Avarice, and we shaking the FED huh

[Hook - 8x]

Gotta get this do'
