(Lil' Kim)

Ok, Ok. I got the ball.  
I'm coming down the court like Jordan with his tongue  
out.  
Petite and all,  
I'm steppin' on y'all like I'm 20 foot tall  
Cinammon skin, like a porcelain doll  
Juice box liable to start a 20 man brawl  
Shame on y'all, Thinkin' I'mma fall,  
I'mma never fall  
Like the dope fiend lean  
IRS the team, Live in New Jeruz, rep 7-18  
Buckingham Palace Like Elizabeth the queen

Hello, hello  
It's Mrs. steal your man  
Give em' right back to ya, Then steal em' again  
You can get another one, Bet I'll steal him  
You already know, Audemars stealin' lookin' like the  
Aspen slopes  
You already snow, Rocks, avalanche  
You already know, I get stupid like ski racks on the  
Maybach  
James Brown, big payback, OW!  
Where my cape at?  
Ow! Where my cape at?

(I.R.S)

Fresh white tees, bleedin' red velvet. Stars around your  
head, cowboy helmets.  
Guns like pictures, we draw them from our pelvis.  
You on your 3rd strike, like repeated felons.
