I'm comin through, want you, bout to show you why

I got the game from the pimps and players

You gon' feel me baby when I get there

I'ma give you what you want so I can get what I need

We can get hella freaky while we smoke some weed

We don't need champagne fuck the gin and juice

These niggaz know what Short Dog & Lil' Kim can do

Imagination is a understatement

Anything you can think of we can make it

Big money, hit records, watch us get wreckless

We butt-naked, we never sexless

And when I get there you know it's, time to fuck

Cause all night long ain't long enough to come up

it's just us, ya wanna know something? It's a big dick

tight pussy thing, make us both come

Call me, just call me
[both] When you need someone to talk to, someone to
fuck you
Satisfaction guaranteed, I give you what you need

[LK]
Everybody know the Queen gettin down dirty
Drive you crazy like the 7:30, it ain't a secret
Rumors they could keep, you know there's only one
Ghetto Queen with the guillotine/real bitch that carry
gats by the spleen
Knahmean? Some bitch is on the other line, answer that
If it's a Booty Call, cancel that
You want pure satisfaction? I'ma handle that
All I need is a candle and a porno channel
Lubricate the top, now I'm starting to sweat
Peel my Gucci sheets back so they don't get wet, now
check it
Adjust your phone volume, Lil' Kim is sure to bring
the nuts outcha, imagine me suckin blood out ya
Like a hickey, I love the phone quickie
Slip myself a mickey, now that's the proper set off
You could reach out and touch me MCI style

Kim and \$hort fucking Cali Bed-Stuy style
Tell me what you want, I'll tell you what I need
You could fuck me till I bleed, oh \$hort I'm about to OD
[TS] And I like it

Call me, just call me
[both] When you need someone to talk to, someone to
fuck you
[both] Satisfaction guaranteed, I give you what you
need
Call me, just call me
[both] When you need someone to talk to, someone to
fuck you
[both] Satisfaction guaranteed, I give you what you
need

[TS] You say it's cool to fuck baby, just open up
[LK] Well since you showed up what's the hold up
[TS] The blunts ain't rolled up
Let's mix sex with the weed smell
[LK] Then ride me nigga, like you do them V-12's
I'll be your SLK, you can drop my top
[TS] And I'll be all up in the cock from midnight to six
o'clock
The way you sick dick you off the heezee
[LK] Get off your kneezee, they say you are what you

eat
[TS] They say the 69 is more like a 138
Everytime we have sex it's like watching dirty tapes
You're my personal, private, porno star
You wanna see us fuck? Buy the tape at the corner
store
Queen Bee getting stung by Too Scheezee
I'm smokin indo, buzzin with the bree-zy
I teach you all about the niggaz from the O-A-K
We take the money and the pussy cause we sho' don't
