led out that gun  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam, man  
down  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam, man  
down

[Rihanna]  
Mama, mama, mama I just show a man down  
In central station in front of a big whole croud  
Why, why?  
Oh mama, mama, mama, I just shot a man down  
Forgive me now

[Lil' Kim]  
I never thought she'd do it, I never thought she'd do it, I  
never thought she'd do it, oh gosh  
Why ever do she do it? why ever do she do it? why ever  
do she do it?  
Who do she pulled the trigger, pulled the trigger,  
pulled this trigger, boom  
And end this, end this life so soon  
Pull the trigger, pull the trigger, pull the trigger, boom

And what you gonna do? mi say what you gonna do?  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam mi  
say one man down, oh god  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam mi  
say one man down  
Now you are a criminal, criminal, criminal  
Yes you are a criminal, criminal, criminal  
He ain't got nobody on the gun when she went out of  
town  
Before it be another one man down  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam, man  
down  
Ram pa-pa-pam, ram pa-pa-pam, ram pa-pa-pam, man  
down

[Rihanna]  
Mama, mama, mama I just show a man down  
In central station in front of a big whole croud  
Why, why?

Oh mama, mama, mama, I just shot a man down  
In central station
