It's queen bee, sex in the citay  
Representin' up top,  
Brought da block wit meh  
Custom Versace dress,  
Showin one tittay  
In Brook-lawn, New York,  
Grinding and grittay  
BenZ's to bentl-  
Oh, no  
Lick the TV slow,  
I show em' thangs they neva seen before  
Cause the way I move is so flexible,  
I'll try anything,  
I'm a try-sexual  
Dem blindfolds and handcuffs,  
I get rough,  
With my thighs wrapped around his head,  
Like earmuffs  
Doin freaky weird stuff,  
Talk tough,  
Face down  
Steppin to the queen with the diamond lace crown  
Jewel of the nile,  
I'm romancin' the stone  
I said, look bitch  
I got cha man on the phone  
But you could swing through if you want a peep show,  
Just bring a hundred grand and some weed to keep roll

Ref.  
Speak the wrong words bitch,  
And you will get touched  
This time around it ain't like before,  
Speak the wrong words bitch,  
And you will get touched  
This time around I'm gon crack ya jaw  
Speak the wrong words bitch,

And you will get touched  
Spit the shank out my mouth,  
And bust you down  
Speak the wrong words bitch,

And you will get touched  
Biggie left me the court,  
Now I'm holdin it down

I'm a superfreak,  
I'm superfreaky, yo  
And no I won't lick,  
So give it to me now  
Miss Prada, and Chanel, Gucci as hell  
Vous les vous coucher,  
Wit dis mademoiselle  
I sell sex high price,  
The rap Heidi Fleiss  
Iceberg jeans,  
Dat ass looks mighty nice  
This is the fabulous life of Kim Jones,  
I got chinchilla covers on my flip phones  
To match with dem furs  
Baby got back,  
Wit dem curves  
Her female MAC wit makeup,  
On my verbs  
Flow, mascara, and blush  
Take that monkey shit off,  
You embarrassin' us!  
Comparison,  
What?!? Ain't nobody close to me  
I'm up top right where I'm supposed to be  
And now haters all kiss my bikini wax,  
And if you seen The Catch,  
You know da Queen is back
