

Lil' Kim "Get Yours"

Visit "[Get Yours](#)" on MotoLyrics.com

Hey, throw your bottles in the sky if you're gettin' yours
If the rims on his ride ain't as big as yours
You gettin' money what'chu hatin' on my niggaz for?
Hey, get your mind off of mine and get to gettin' yours

Throw your bottles in the sky if you're gettin' yours
If that other bitch's ass ain't as big as yours
You gettin' money what'chu hatin' on my bitches for?
Hey, get your mind off of mine and get to gettin' yours

Boss lady pull up in the back of the Maybach
Chauffeur behind the wheel, feet up, leaned back
Readin' the newspaper, honeygirl put a hurtin' on 'em
Haters like a bad act, I just close the curtain on 'em

Play all day on the Siruis, radio
Satellite TV, who do it like me?
In designer outfits, while sellin' the tag
Yves Saint Laurent boots, Yves Saint Laurent bag

Keep the Pokeman in case a big bitch think I'm ass
Eatin' through her stomach like a gastric, bypass
Bitch, you better buy a pass and you better have the
cash
When you in my town you got to see me to buy a pass

Number one rule, think B.I.G.
Fifty grand for the girl to sit in V.I.P.
The spotlight is on me, I'm the one they wanna see
They give they money to Kim like I'm H.S.B.C.

Hey, throw your bottles in the sky if you're gettin' yours
If the rims on his ride ain't as big as yours
You gettin' money what'chu hatin' on my niggaz for?
Hey, get your mind off of mine and get to gettin' yours

Throw your bottles in the sky if you're gettin' yours
If that other bitch's ass ain't as big as yours
You gettin' money what'chu hatin' on my bitches for?
Hey, get your mind off of mine and get to gettin' yours

Yeah, well, it's young Dash to all those who don't know

The boy who stay hot when his jewels is so cold
Killer screwface and he cockin' that fo'-fo'
Wanna ice grill? Better holla at Paul Wall

Is all that called for? Whole crew do it up
Champagne, threw it up, till niggaz threw it up
Cruisin' up, tinted up, gotta be some star
Don't know what to call it, they say it's a truck car

You been with a chump pah like Ashton
Was the first one to "Punk" y'all
Have yo' ass holy and resemblin' Spongebob
Like an old album, you happen to come for us
You guys get dust off

It's the young boss, show you what the imp us for
Family and friends be the only ones missin' boy
Sayin' that you rich and all, tell me what'chu bitchin' for
Maybe 'cause I'm gettin mine, well, is you gettin' yours?

Hey, throw your bottles in the sky if you're gettin' yours
If the rims on his ride ain't as big as yours
You gettin' money what'chu hatin' on my niggaz for?
Hey, get your mind off of mine and get to gettin' yours

Throw your bottles in the sky if you're gettin' yours
If that other bitch's ass ain't as big as yours
You gettin' money what'chu hatin' on my bitches for?
Hey, get your mind off of mine and get to gettin' yours

You don't really want it with the nigga right in front of
Tip
Have you duckin' on the shit, wanna let the thunder spit
Get bucked, bitch, give a fuck who you run and get
King of the South, Pimp Squad Clique runnin' shit

Bricks in the pipeline, sold in the nighttime
Take a lifetime to find a flow that's quite like mine
Fourty cal's and 45 glocks, I don't like nine
Mac-9 and automatic flatten niggaz lifeline

I'm already rich, use the rappin' as a pastime
Grand Hustle bitch and I done said it for the last time
Other niggaz settle down 'cause I don't bag mine
You see me pull it I'ma blast, I don't flash mine

You niggaz livin' check to check but I don't cash mine
Deposit it and let it sit 'cause all the cash mine
Been goin' easy on you rappers I'ma mash now
Niggaz throw your bottles in the air and put the glass
down

Hey, throw your bottles in the sky if you're gettin' yours
If the rims on his ride ain't as big as yours
You gettin' money what'chu hatin' on my niggaz for?
Hey, get your mind off of mine and get to gettin' yours

Throw your bottles in the sky if you're gettin' yours
If that other bitch's ass ain't as big as yours
You gettin' money what'chu hatin' on my bitches for?
Hey, get your mind off of mine and get to gettin' yours
