[Chorus] Gimmie that good dick, give it to me
Gimmie that good dick, uh-uh
Gimmie that good dick, give it to me
That fine ass good dick
Yeah, yeah

Gimmie that pussy, give it to me
Gimmie that pussy, yeah yeah
Gimmie that pussy, give it to me
That bomb ass pussy

[Verse 1: Maino] Yeah every little slut with a butt wanna
jump on me
I teach 'em how to hump when they fucks with me
I ain't done in one nut, bitch I dump all three
Slurp it all up when you suck on me
'Cause see, I got the cleanest, meanest penis
Ask Keisha, she the one who seen it
Keish told Pam, Pam couldn't keep a secret
Now all the hoes make my dick big like ???
Tie 'em up, get 'em lit, wax with candles
Don't stop, I get it like Luther Campbell
I'm the dick dude, that will ram you
So damn hard, it'll leave your ass blue
Meat slinger, my meat stings ya
Bitch thought I stuck her with a deadly cleaver
Want me to freak ya, wait for me to seize ya
Dick comes around once a year like Easter
Bitches flash me their thong and panties
Then they ask me to do the nasty
Wanna thrash me, then don't walk past me
When you pass me, just holla at me and say

[Chorus] Gimmie that good dick, give it to me
Gimmie that good dick, uh-uh
Gimmie that good dick, give it to me
That fine ass good dick
Yeah, yeah

Gimmie that pussy, give it to me
Gimmie that pussy, yeah yeah

Gimmie that pussy, give it to me
That bomb ass pussy

[Verse 2: Lil' Kim] Now see don't no bitch do it better
than Kim

And no bitch pussy stay fresher than Kim
Everybody's man wanna get with Kim
If you don't believe me bitch, just ask him
You see I got the tightest, rightest vagina
Even got my name on the menu at the diner
Guys act stingy with my goodies
I'm the only bitch in the world that got two pussies
Sex Queen Bee and no bitch can come after
Dudes stay hard, don't need viagra
I beehive gags ya, when it grabs ya
Pussy get's wetter than the whole Niagara
Boys get hooked first time the taste this
I lick dudes in all the right places
G's got cases, tempted to taste this
Kittykat so mean, turn dudes into rapists
Niggas flash me they jewels and cash and
Then they ask me, to do that nasty
Wanna thrash me, then don't walk past me
When you pass me, just holla at me and say

[Chorus] Gimmie that pussy, give it to me
Gimmie that pussy, yeah yeah
Gimmie that pussy, give it to me
That bomb ass pussy

Gimmie that good dick, give it to me
Gimmie that good dick, uh-uh
Gimmie that good dick, give it to me
That fine ass good dick
Yeah, yeah

[Verse 3] M: Some like me to do it rough and choke 'em
K: Some niggas love me to rub and stoke them
M: Some like objects down they throat
K: I get 'em all strung out and open
M: Yes I rep them down to the rectum
Dick like tetnis shots, I inject 'em
K: Pussy is power, listen man
My chocha's tighter than a traffic jam
Coochie like drugs, I'm a thousand grams
Got fiends from New York to the Islands (damn)
M: Had a bitch that wanted me to cuff her to the
bedpost
Seen my dick and thought it was the bedpost
K: One dude went crazy ya'll
'Cause after we hit, he swore my clit could talk

M: Some boards they can barely walk when I'm done
with 'em
Call the ambulance man to come get 'em
K: Niggas flash me they jewels and cash and
Then they ask me, to do that nasty
M: Wanna thrash me, then don't walk past me
When you pass me, just holla at me and say

[Chorus] Gimmie that good dick, give it to me
Gimmie that good dick, uh-uh
Gimmie that good dick, give it to me
That fine ass good dick
Yeah, yeah

Gimmie that pussy, give it to me
Gimmie that pussy, yeah yeah
Gimmie that pussy, give it to me
That bomb ass pussy
