

## Lil' Kim "How Many Licks"

Visit "[How Many Licks](#)" on MotoLyrics.com

Sisqo-  
Hold up  
So what you're saying is, oh  
(Niggas got me pissed like Lil' Kim)  
You want to get freaky again, aright  
A-oooh-ah-oooh  
Oh, oh, oh, oh

Lil' Kim-  
I've been a lot of places  
Seen a lot of faces  
Ah hell I even fucked with different races  
A white dude his name was John  
He had a Queen Bee Rules tattoo on his arm, uh  
He asked me if I'd be his date for the prom  
And he'd buy me a horse, a Porsche and a farm  
Dan my nigga from Down South  
Used to like me to spank him and cum in his mouth  
And Tony he was Italian (Uh-huh)  
And he didn't give a fuck (Uh-huh)  
That's what I liked about him  
He ate my pussy from dark till the morning  
And called his girl up and told her we was boning  
Puertorican papi, he used to be Deacon  
But now he be sucking me off on the weekend  
And this black dude I called King Kong  
He had a big ass dick and a hurricane tongue

Sisqo-  
How many licks does it take till you get to the center of  
the?  
(I've got to know)  
How many licks does it take till you get to the center of  
the?  
(Tell me)  
How many licks does it take till you get to the center of  
the?  
(Oh, oh)  
How many licks does it take till you get to the center of  
the?  
(Oh, oh, oh, oh, oh)

Lil' Kim-

This verse goes out to my niggas in jail  
Beating their dicks to the double X-L  
Magazine, you like how I look in the aqua green?  
Get your Vaseline  
Grow some weave with some tissue and close your  
eyes  
And imagine your tongue between my thighs

\*Moans

Baby open up cell block eight  
Alright nigga that's enough

Stop, look and listen  
Get back to your position  
Kim got your dick hard start fights in the yard  
I'm hotter than a Pop Tart fresh out of the toaster  
Niggas do anything for a Lil' Kim poster  
Eses, bloods, Crips, all the thugs up north in the hole  
They all wanna know

Sisqo-

How many licks does it take till you get to the center of  
the?

(Tell me, ha)

How many licks does it take till you get to the center of  
the?

(Tell me, oh yeah)

How many licks does it take till you get to the center of  
the?

(Oh, oh)

How many licks does it take till you get to the center of  
the?

(Oh, oh, oh, oh)

Lil' Kim-

If you driving in the street hold on to your seat  
Niggas grab your meat while I ride the beat  
And if you see a shiny black Lamborghini fly by ya  
(Shoom!)

That's me the nightrider

Dressed in all black with the gat in the lap  
Lunatics in the street gotta keep the heat  
Sixty on the bezel, a hundred on the rings  
Sitting pretty baby with a Cash Money bling  
12 AM I'm on the way to club

After three bottles I'll be ready to fuck

Some niggas even put me on their grocery lists  
Right next to the whip cream and box of chocolates  
Designer pussy, my shit come in flavors

High-class taste niggas got to spend paper  
Lick me right the first time or you gotta do it over  
Like it's rehearsal for a Tootsie commercial

Sisqo-

How many licks does it take till you get to the center of  
the?

(Tell me, ha)

How many licks does it take till you get to the center of  
the?

(Tell me, oh yeah)

How many licks does it take till you get to the center of  
the?

(Oh, oh)

How many licks does it take till you get to the center of  
the?

(Oh, oh, oh, oh)

How many licks does it take till you get to the center of  
the?

(Tell me)

How many licks does it take till you get to the center of  
the?

(Let me know, let me know)

How many licks does it take till you get to the center of  
the?

(Oh, oh)

How many licks does it take till you get to the center of  
the?

(Oh, oh yeah)

How many licks does it take till you get to the center of  
the?

(Yeah)

How many licks does it take till you get to the center of  
the?

How many licks does it take till you get to the center of  
the?

(Oh, oh)

How many licks does it take till you get to the center of  
the?

(Baby tell me)

How many licks does it take till you get to the center of  
the?

(Oh, oh, oh)

How many licks does it take till you get to the center of  
the?
