[Verse 1] I know you see me on the screen now, right  
I know you see me do my thing now, true  
Tryin' hard not to stare, actin' like I wasn't there to ya  
Can you see me now, am I clear to ya?  
On the red carpet in Marc Jacobs clothes  
You see me fashion week, front row at all the shows  
In your favorite fashion magazine, they feature the  
Queen  
On the cover of Don Diva's, doin' spreads with Eva  
When we walk down the street, dudes call us the Cover  
Girls  
We stand out when we next to them other girls  
I don't bend easy, budge or break  
Trust me, you don't want it with the female Scarface  
Your girl come through twirling the drop-top roster  
Me and my La Familia like a Goodfella poster  
You see I'm somethin' you never seen before  
I know you see me 'cause I'm somethin' that I can't  
ignore

[Chorus] (I know you see me)  
Dip fresh hoppin' outta new Rolse  
(I know you see me)  
In ya town ballin' outta control  
(I know you see me)  
VVS is set in platinum and gold  
(I know you see me)  
Standin' room only all of the shows  
(I know you see me)  
Apple Bottom bustin' outta my jeans  
(I know you see me)  
Always scream at the man of your dreams  
(I know you see me)  
Front page of your new magazine  
(I know you see me)  
Hey show some love, pay respect, I'm the Queen Bitch

[Verse 2] And you should see me in the summertime  
Stretched out in one of my drop tops  
All you hiphop bitches stand in line (I know you see me)  
I'm livin' off your man, he supportin'

Ma you'll kill me if I give you the chance  
Bitch I was born to shine  
While you on your grind, I'm on beach front property  
38 snub nose keep snitches offa me (I know you see me)  
Look the rest of your life, ain't gon' find a bitch as raw as me  
Grateful's what you outta be  
I heard somewhere it costs to be the boss and I paid it  
Floss with the greatest, ball outrageous  
The broad is amazing  
In the six grippin' wood grain, lane changin'  
You coach flyin' hoes need boss bitch trainin'  
I'm muo caliente, sizzlin' hot flamin'  
Private planes to Spain and you barely maintainin'  
You ain't talkin' millions, you ain't speakin' my language  
The Queen of the game and can't a damn thing changin'

[Chorus] (I know you see me)  
Dip fresh hoppin' outta new Rolse  
(I know you see me)  
In ya town ballin' outta control  
(I know you see me)  
VVS is set in platinum and gold  
(I know you see me)  
Standin' room only all of the shows  
(I know you see me)  
Apple Bottom bustin' outta my jeans  
(I know you see me)  
Always scream at the man of your dreams  
(I know you see me)  
Front page of your new magazine  
(I know you see me)  
Hey show some love, pay respect, I'm the Queen Bitch

[Verse 3] What you see is, is what you get  
Lil' Kim, Queen Bee, is real, as real can get  
I'm a certified hustla so cut that cheque (So cut that cheque)  
Raised in the streets of Brooklyn, what you expect  
What you see, what you see  
What you see, is what you get  
What you see, what you see  
What you see, is what you get

[Chorus] (I know you see me)  
Dip fresh hoppin' outta new Rolls  
(I know you see me)  
In ya town ballin' outta control
