I am not the one, I am not the one

Everybody wanna talk about Kim,
But aint nothing soft about Kim,
Everything you walk about Kim,
Through all that I've been, picture me being broke and I
can auction my pen PLEASE,
I aint never worry bout hens, they worry bout me but I
aint worried bout them,
I'd rather see 'em coughin up flem, off with they heads,
guillotine Kim so its off with they limbs,
Why pop cork with my men, when I was up North in the
pen, my fans wrote me, they said Queen keep doing ya
thing write songs so we can quote thee,
The rest of ya'll hope we, see our downfall so I dont
come around ya'll,
Now we're beyond rich, the spittin magician poof be
gone bitch! aha

Bitch couldnt walk a mile in my louboutins,
Me against you thats asalon,
QB bout the bomb, Taliban,
Come through in the long trench, calaban,
Bitch you was just a child of mine, and I'm casey omma
get off scott free,
Sippin Don Pee on Palm Beach, Original OG mayalanski,
Break bread with the IRS family, while these jamie hoes
try to get fancy,
I live the life of a queen I'm royalty bitch bow down kiss
the ring,
