*[*Sound of a car driving on a busy street*]*

[Taxi Driver:] Alright, sir, which side of the street would you like to be on.

[Patron:] Yeah, that one. That side right there.

[Taxi Driver:] Yeah, okay.

The taxi driver is heard pulling over to let the man out.

[Taxi Driver:] Okay, that will be four-ninety please.

[Patron:] Yeah, yeah, here's five dollars. Keep the change.

[Taxi Driver:] Oh, fuck you!

The car door slams shut and the man is heard walking.

[Box Office Worker:] May, I help you?

[Patron:] Yeah, ah, can, can, I have one for Little Kim. Hardcore.

[Box Office Worker:] That will be ten dollars.

He hands her money and then walks through a door.

[Box Office Worker:] Fuckin' weirdo.

*[*Lil' Kim's Big Momma Thang is playing in the background*]*

[Concession Stand Worker:] Yeah, may I help you?

[Patron:] Yeah, ah, can I get a small order of popcorn, and

ah, ah, a large order of butter and just like a lot

of napkins please.

[Concession Stand Worker:] Butter? Anyway, am, will that be all?

[Patron:] Yeah, ah...

[Concession Stand Worker:] That'll be six-ninety-five.

The patron hands another bill over.

[Concession Stand Worker:] Ah, man, why this shit so slimey?

[Patron:] Huh!

The patron is then heard walking from the concession stand into the screen room. Lil' Kim and a man are heard moaning and having sex. Porno music is heard in the background.

The patron unzips his zipper. Five seconds later and a splashing noise is heard as the patron begins masturbating.

[Patron:]

Yeah. Yeah, baby. Yeah. Oh, yeah. Come on, baby.
Yeah. Yeah. Mmm. Yeah. Yeah. Kim. Come on, Kim.
Come on. Yeah. Yeah.

The moans from the screen and the splash sound from the masturbating patron continue.

[Patron:]

Yeah. Come on. Kim. Kim. Yeah. Yeah.
Work it, bitch!
