Ha ha ha ha,
I don't care what y'all say,

Whoa!, is time to rock n' roll,
This time I'm in control.
Whoa!, right now I own the streets,
I got the keys to the city,
That's cause I get down.
Whoa!, is time to rock n' roll,
This time I'm in control,
Right now I own the streets
I got the keys to the city
That's cause I get down.

Sometimes I wonder how I made it this far
With all these people hate'n on me
Y'all know who you are
Take a chance and try to come up in this game being a
star
But now I own the keys to a brand new fancy car, baby.

It's my turn to burn and now I'm here to rub it in your
face
When will you learn I'm the queen and I'll put you in
your place

Whoa!, is time to rock n' roll,
This time I'm in control.
Whoa!, right now I'm on the streets,
I got the keys to the city,
That's how I get down.
Whoa!, is time to rock n' roll,
This time I'm in control,
Right now I own the streets
I got the keys to the city
That's how I get down.

How dare you try to go against the glorious one,
I'll slaughter you son
It's over
The story is done
You can be number two

But I'm second to none
And you forgot queen B! is the notorious one

Oh

Baby baby baby baby baby
I'm the creme de la creme so you can never play me
See I'm more than your lady
I'm more than a lover more than enough for ya!
Please try to understand me
Gonna stay at the top cause I don't give a damn

I don't care what y'all say
I'm gonna keep doin me
Y'all can't fade me

Whoa!, is time to rock n' roll,
This time I'm in control.
Whoa!, right now I'm on the streets,
I got the keys to the city,
That's how I get down.
Whoa!, is time to rock n' roll,
This time I'm in control,
Right now I own the streets
I got the keys to the city
That's how I get down.
