[Intro Lil' Kim]

Gib's mir richtig, ganz egal wo

[Chorus 1 Lil' Kim (Troop)]

Kimmie, Kimmie, Kimmie

Can't you see

Sometimes ya style just hypnotize me

(And I just love your sexy ways

I guess that's why they broke

And you're so paid)

[2x]

[Verse 1 Lil' Kim]

I'm a big dog, ya'll don't wanna \*uh\* wit me

I rule on th streets like a trucker B

Move out my way when it's time to get paid

What you know about hydraulics on the escalade

We hit switches like they do in Cali

Cept we ain't in 6-4s we low ride in dinaleys

Lexus, Vipers, eatin' up the flo'

Straight-out swordfish wit the TVO

Lil' Kim and Tomekk, we so hot we burnin'

Give it to you in English, put it down in German

Gib's mir richtig, ganz egal wo

Said 'Roll right or don't roll at all'

Now, getcha walk on, getcha rub on

All my Gs in the club, getcha thug on

Getcha name back, putcha bling on

Big ballas at the bar, getcha drink on

Love to smoke out, getcha steam on

Low riders hittin' switches getcha lane on

Getcha game back, putcha mack on

And if I hear you talkin' yak, getcha smack ob

[Chorus 2 Lil' Kim]

Kimmie, Kimmie, Kimmie

Can't you see

Sometimes ya style just hypnotize me

And I just love your sexy ways

I guess that's why they broke

And you're so paid

[2x]

[Verse 2 Troop (Lil Kim)]

Ich bin horny,  
yell, ich geb's dir von vorne  
Troop, Lil Kim, DJ Tomekk  
wieder werd ich No 1, wah dan, wah dan, wah dan  
Bei dir gibt's so viel zu sehn, da gibt's keine Logik,  
da gibt's nix zu verstehn  
Kimmy, willst du mit mir gehn?  
Verlier meinen Verstand, ja, das muss ich gestehn  
Mein Feuer, das brennt lichterloh  
Von Karlsruhe bis nach Itzeho  
Du treibst es auf die Spitze, du (Gib's mir richtig, ganz  
egal wo)  
In der KÃ¼che auf dem Herd, in der Scheune auf dem  
Pferd, .....?, und danach noch mehr (Ganz egal wo)  
Und ich weiÃ es gefÃllt dir sehr (laugh)  
Kimmy, ich weiÃ genau was ich tun soll  
und es ist ein tolles GefÃhl oh wy

[Chorus 1 Lil' Kim (Troop)]

Kimmie, Kimmie, Kimmie  
Can't you see  
Sometimes ya style just hypnotize me  
(And I just love your sexy ways  
I guess that's why they broke  
And you're so paid)  
[4x]

Hahaha.....ganz egal wo
