I understand why you wana try
make him stay home late at night
but if you wana go
he'll be gone, no lie.
I can't explain how many times I tried,
how many times I cried,
thinkin' about mine and where he might be
remember when I gave everythin' I got
couldn't get deep down inside
how you love someone who didn't love me
but I get it if he don't wana

love you right way he ain't guna

If he ain't guna love you the way he should then let it go
if he ain't guna treat you the way he should then let it

touchin' home with alibis
trying to get me to see that's where he trying to be,
but I don't want your man
your mans been callin' me (callin' me)
trying to get me to see that he wants me to be with him
but it ain't guna work for meee
and if you only knew (only knew)
you would have to finally see that (finally get the

(Keyshia Cole)

If he ain't guna love you the way he should then let it go
if he ain't guna treat you the way he should then let it
