[Lil Kim]

Yeah,

This is ladies night once again it's on
Your man actin up then leave him home
It's the girls the industries call the rap Madonna
More dangerous than a tank full of Piranah's
Corvosier in my left arm glass in my other hand
While I pop that coochie like a rubber band
I'm feelin sexy in my million doller biggie bra
ey yo BeyoncÃ©, how you feelin ma?

[BeyoncÃ©]

I'm feelin sexy
I wanna hear ya say my name, boy
If you can reach me
You can feel my burnin' flame

Feelin kinda n-a-s-t-y,
Boy I just wan' take you home with me

Baby
The minute I feel your energy
The vibe is just takin over
I start feelin so crazy, baby
Lately, I feel a funk comin over me
I don't know what's gotten into me
The rhythm got me feelin so crazy
Babe

(x2)
Tonight
I'll be your naughty girl
I'm callin all my girls
We gonna turn this party out
I know you want my body

You're so sexy
Tonight I am all yours boy
The way your body
Moves across the floor boy

Baby

The minute I feel your energy
The vibe is just takin over
I start feelin so crazy, baby

Lately, I feel a funk comin over me
I don't know what's gotten into me
The rhythm got me feelin so crazy
Babe

(x2)
Tonight
I'll be your naughty girl
I'm callin all my girls
We gonna turn this party out
I know you want my body

I love to love ya baby
(I love to love ya baby)
I love to love ya baby
(I love to love ya baby)
I love to love ya baby
(I love to love ya baby)
I love to love ya baby
(I love to love ya baby)

[Lil Kim]
You know I rep the star when I chef the pie
I'm back in the kitchen with the flame on high
I see you lookin, baby what's cookin, yeah
I'm lookin like somethin to eat
Ya man there lookin like somethin to freak
Lickin on his lips like I'm somethin sweet
Lil Kim and Beyonce just tryna keep the flame lit
An warm it up like Big Daddy Cain did

[BeyoncÃ©]
(x4)
Tonight
I'll be your naughty girl
I'm callin all my girls
We gonna turn this party out
I know you want my body
