Feat/T-Boz & Puff Daddy

[Lil' Kim] (Puffy)

(Yeah)

This is it, this is the one

(That's what I'm talkin' about right here)

Aye yo Puff I don't think they ready for this one

(They ain't ready baby)

You ready? (No doubt)

Yeah me too (Let's do it)

[Lil' Kim]

If gettin' money is a crime, then I confess

It ain't about money, I could care less

I used to be a B now I'm a C breast

I get em hard, you handle the rest

My music like heartburn, burn your chest

Like a nigga stick the ax inside your backs

You be like, "What the fuck was that shit?!"

Gimme some more

I love my fans, gotta make 'em dance

Would I ever make a whack joint? (Not a chance)

All my male friends call me M&M

Cause my pussy melt in your mouth and not in your hands

I'm just a bad girl always rockin' thongs

With the see-who's-stockin' skaters with the Lizzy's

Purpose with the deadbeats

Usually spotted by my Goldilocks

While birds movin' flocks, I'm movin' drops

Cop the Ferrari when I'm roomin' the range

Two of the same, it ain't a thang, pocket the change

Now I'm just doin' my thing enjoyin' the fame

Why not ain't no other bitches hot in the game

1 - [T-Boz]

Nobody do it better than us

Nobody do it better than us

Nobody do it better than us

Nobody do it better than us

Nobody do it better than us

Nobody do it better than us

[Lil' Kim]

Lil' Kim, yeah everybody knows me
In a class by myself, never where the ho's be
I just avoid where all my foes be
Cause God damn muthafuckas is nosey
Wanna know what I'm wearing? What I'm drivin'? What
I'm doin'?
Where I hang out at? Who the fuck I'm screwin'
Damn I move way out to the boondocks
So I can have a little bit of privacy
You bought a tiny ass condo
Way across the water with a telescope
So you can spy on me
You clowns belong in the circus
Steady tryin' to hurt us
Tell me what's the purpose
They say I'm prejudice, the only presidents that I fuck
with
Is the ones that's dead, like the big heads
Never stingy with my Benji's
Got enough dough to buy the West Indies
Invest in Fendi's, own Laurendi's
Start my own doll like Mark & Mindy's
Free all my niggas from the penitentiary
And keep puttin' out records till the turn of the century

Repeat 1

[Lil' Kim]

Uh uh, hold up, wait, hold up, wait a minute
You got a 5 and I got a 6
Back it up!
What's wrong with this picture?
Nigga pack it up!
I need a 6 figga nigga (uh huh)
Yours is big but mines is bigger
Cause the Benji's is what it's all about
Do my ladies know what I'm talkin' about
If my shoes cost more than your car
Hah, don't expect to get far
You the kinda nigga that like to plot
Call your friends, tell 'em that you hit the jackpot
I keep razors in my box for all you womanizers
That's how much I despise it's up
I don't get it I ain't wit it
Can't see how other woman did it
Niggas screamin' gimme, can't get a penny
Yeah I got plenty
But you ain't got any?
Now picture me takin' my hard earned money

Throwin' it away by spendin' it on a dummy
All he gon' do is spend it on another honey
I say let the nigga stay bummy
I don't need a nigga I jerks it out
Take it old school and smurf it out
Give me a beat and I'll murk it out
Niggas know QB gon' work it out!

Repeat 1

[T-Boz]

Nobody do it to you better than us
Nobody do it to you better than us
Nobody do it to you better than us
Nobody do it to you better than us

[Puffy] (T-Boz)

(Can't nobody do it to you better than us)
Nobody

As we proceed to give you what you need
(Can't nobody do it to you better than us)
In 2000 baby

(Can't nobody do it to you better than us)

And we rock on and on
