Verse 1: Lil' Kim

Uhhh

Biggest bitch in yo itty bitty world

Comin' up in the ninety-nine, every other word i say

Be part of my rhyme

Catch me outside of the club, smokin' seltzer wit jason

Get my mind fucked up, and my heartbeat racin'

You can call me, your crafty honey

I don't give a fuck, as long as you give me the money

And if you ever violate this, call me a bitch

Or forget to run the ???, You better do your little thang

Mack it around, and do your little thing

Uh-huh, uh-huh
