[Lil Kim]

Shitted on 'em

I'm just pissin' on 'em

Spittin' on 'em

Put ya middle fingers in the air if you did it on 'em

Shitted on 'em

I'm just pissin' on 'em

Spittin' on 'em

Put ya middle fingers in the air if you did it on 'em

All these bitches is my pets

I keep a tight leash around their necks

Bitches try to bite, take their ass to the vet

Put em right to sleep like they popped a Xanax

Yeaaah, I be shittin' on 'em

Spittin' on 'em

Kimmie go in, I go extra hard

I swipe ya whole life with my debit card

Shitted on 'em

I'm just pissin' on 'em

Spittin' on 'em

Put ya middle fingers in the air if you did it on 'em

Shitted on 'em

I'm just pissin' on 'em

Spittin' on 'em

Put ya middle fingers in the air if you did it on 'em

The Lamborghini turns into Megatron

Got 'em blue in the face, Avatar

I be shittin' on 'em, Diarrhea

You bitches looking burnt, gonorrhea

Same bitches throwin shots, but tryna be her

I guess it's all politics, Condolessa

I'm the first lady, her majesty

Rap's royalty bitch, now you work for me
