Yo yo, ay yo, yo

Think it's 'bout time that I heat y'all up  
Y'all easy bake oven chicks, eat y'all up  
Like a ex pill I'm a keep y'all up  
And y'all ain't stop me from burn, y'all just don't learn

(What's the word?)  
She at it again  
(What's the word?)  
She in it to win  
(What's the word?)  
She back and she's staying'  
(What's the word?)  
The bitch ain't playin'

And just when y'all thought y'all had the victory  
The one point game I fucked around and hit a three  
Swish, all fuckin' net  
It's the fourth quarter you're pourin' down sweat

Rap's M.V.P. don't you ever forget  
Since you came in this game are there any regrets?  
And y'all, dukes are lame don't let 'em back in  
What? You ain't heard? Keep at it again

Yo, it's cold at the camp but I'm in it till it's over  
Notorious soldier thought I told ya  
Niggas is pissin' me off right now  
But like that dance, I'm a shake 'em off right now

Who's hot and who's not what's rap and what's not  
Whatever nigga I take your spot and your spot  
Move work from your block to your block  
The neighborhood better keep they fuckin' door locked

Beanie told y'all but I got proof  
I speak the truth, every time I step in the booth  
Uh, pretty things is all that I mean  
Better listen to the words that she sings

(What's the word?)

She at it again  
(What's the word?)  
She in it to win  
(What's the word?)  
She back and she's stayin'  
(What's the word?)  
The bitch ain't playin'

And now I could see why y'all all on me  
You need a hot remix you could call on me  
Niggas do dirty work the shit fall on me  
But I could hold that weight and still bake that cake

We get it on in Brooklawn no lie  
Bed Stuy holla back B.I. till I die  
We get it on in Brooklawn no lie  
Bed Stuy holla back B.I. till I die

Get money always but I ain't givin' up rap  
Come on now, y'all should know me better than that  
I mean, this is somethin' I'm a veteran at  
Buy me out, you need more cheddar than that

Who's hot and who's not, what's rap and what's not  
Whatever nigga I take your spot and your spot  
Move work from your block to your block  
The neighborhood better keep they fuckin' door locked

I'm the shit I'm the bread winner  
Who's the bitch I'm the big spinner  
I give 'em a taste they just want more  
Word on the street is I'm who they waitin' for

(What's the word?)  
She goin' for delf  
(What's the word?)  
She 'bout to reinvent herself  
(What's the word?)  
She reppin' the hood  
(Yo what's the word?)  
Yeah, the bitch look good

I'm the shit I'm the bread winner  
Who's the bitch I'm the big spinner  
I give 'em a taste they just want more  
Word on the street is I'm who they waitin' for

(What's the word?)  
She at it again  
(What's the word?)  
She in it to win

(What's the word?)  
She back and she's stayin'  
(What's the word?)  
The bitch ain't playin'
