Feat/Tonya Blout

[Puffy]

Where my Queen at?!

[Lil' Kim]

Uh, uh huh

Yo, Bad Boy

Queen Bee, B.I.G.

Come on, come on

Uh, uh huh, that's right

Check me out, Q.B.

Uh, uh, uh

[Lil' Kim]

If I could make it rain

I'd make it rain diamonds

So all my girls in the world could keep shrinin'

From Princess cuts to emeralds to H-classes

Yeah, I failed math, but bet I passed the E-class

Went from Chanel No. 5 to two point five

The Melrose resident, every rooms a president

With the lift in wagers, bet ya'll haters can't match that

You're six digits short to catch that (what)

Your net year gross it 20 thou' on commission

My net week gross 100 mil in addition to to the Dow

Jones

Stocks, restaurants out in Rome

Plus all the overhead

And the interest on them loans

1 - I want diamonds

She said she wants a man to buy her a Lexus Lans

But that's all right (that's all right)

But still it ain't enough for me

I want diamonds

She said she wants a guy

To do it to her every night

That's all right (that's all right)

But you gotta go down on me

[Lil' Kim]

I had bitches rockin' the red, yellow and green wigs  
Cats in they raps tryin' to act like B.I.G.  
Remember when Big told ya'll "Get Money"  
Remember when Big said play them niggas like  
dummies, check it  
If I could separate all the game from the glory  
I'd rather be with Frank, but that's a different story  
Cause now a days niggas ain't sayin shit (word)  
Runnin off at the lips about what they gonna get  
And what they had in '86  
I puts them on the spot  
Pull out the lap top with the receipt for the yacht  
What you got?  
Niggas be mute all of a sudden  
What, I pushed a button  
Shit, that ain't nothin'

[Tonya]  
I don't care if he's young or old  
Just make him very rich

I just want someone that can spend on me  
I want diamonds  
Yes I do (girl)  
Oh, on and on  
And man with lots of dough  
And a house that's made of gold

[Lil' Kim]  
There's only one thing better than money  
Come into my bedroom honey

[Lil' Kim]  
Then we can have a drink or two  
Cosmos, if you ghetto this Bud's for you  
Here's a few  
So he can be nice, when I show him this ice on my chest  
That I bought with his American Express  
I'm a mess, never the less  
I'm authentic  
Ninety-nine percent B.K., one percent N.J.  
Excuse me cause what I'm tryin to say  
Is if you ain't thorough  
Stay out my borough  
Cause when my gun burn, it's loud like Pyros  
And when it's your turn, you fold like Gyros  
Uh, and ya'll buy your suits in portions  
I get mine's from an auction  
Million dollar dress that belongs to the Princess  
While ya'll shopping at Sax  
I been there, done that

Got the sweater and the hat

[Tonya]

I want diamonds  
Oh, yeah on and on  
Gimme all your money  
With a lots of drops  
And a house that's made of gold

I want diamonds

[Lil' Kim]

Just gimme scent of Bahamas  
And sections of your money  
Ya'll know I am the Queen Bee  
Baddest bitch in this industry  
(I want diamonds)

Just gimme scent of Bahamas  
And sections of your money  
Ya'll know I am the Queen Bee  
Baddest bitch in this industry
