Brother, you and I,
Brother, you and I,
We'll sing our lullaby.
Hush, my dear,
Sing sweet and low;
Baby now to rest will go;
Hush thee, hush thee,
Singing soft and low;
Hush thee, hush, thee,
Singing soft and low.

Brother, you and I,
Brother, you and I,
We'll sing our lullaby.
Tired blue eyes
Will gently close;
Sleepy now the baby grows;
Hush thee, hush thee,
Sleep in sweet repose;
Hush thee, hush thee,
Sleep in sweet repose
