A magical garden of make believe  
Where flowers chuckle and birds play tricks  
And a magic tree grows lollipop sticks

Here in the garden what we say and do  
We'd like you to join us and do it to

Can you crow like a rooster?  
Cock-a-doodle-doo!  
And clap your hands and stamp your shoe

It's a funny place but it's surely true,  
That we'd like to share it all with you

If you sing for me (la la-la-la-la-la)  
I'll sing for you (lu lu-lu-lu-lu-lu)  
If you cry for me (ooo hoo-hoo-hoo)  
I'll cry for you (boo hoo-hoo-hoo)  
If you scream for me (aaaahhhh! )  
I'll scream for you (waaaahhhh! )  
If you laugh for me (hee hee-hee-hee-hee-hee)  
I'll laugh for you (ha ha-ha-ha-ha-ha)

So come on in without a fuss,  
'Cause the magical garden is waiting for us

Birds chirping...
