Heavenly Father, creator of all things
I humble my self, with a bow to your throne
I pray for love, joy, peace, and happiness
I pray for love, I pray for love
I pray for love, joy, peace, and happiness
I pray for love, I pray for love
I pray for love, joy peace, and happiness

They say the closest ones to ya
Be the ones that sneak up behind ya
And stick the knife through ya
Thats why now I keep my friends to a minimum
Check for the ones with the venom on they tongue
'Cause niggas are snakes, their hugs be fake
Steal from their best friend at his own wake
I did all I could do, and I took all I could take
This is it, crossing me was your biggest mistake
It wasnt enough that I split 20% of what I make?
It wasn't enough that I cut niggas half of what I bake?
Aint enough that I almost lost all my bread?
Bailing niggas out, keeping a roof over our heads
Enough is enough, I wash my hands, I'm done with it
I aint playing with u mothafuckers come wit it
Keep the family together god knows I tried
But shit aint been the same since B.I died (word)

I pray for love (everyday)
I pray for love (everynight)
I pray for love, joy, peace and happiness
(Keep the family together, god knows I've tried)
I pray for love (everyday for real)
I pray for Love (and everynight)
I pray for Love, joy peace and happiness
(Shit aint been the same since B.I died)

Lil' Kim the first rap bitch to shake up the charts
Act like I aint the leader of this million bitch march
Who got y'all rocking?
The pride of the Gucci, Diore, Canel, Visocchi, and
Louis
Please I am the reason this rap game is unisex
I am the reason bitches want bigger breasts

Show some respect where respect is due
Without who? Without me there'd be no you
These next few lines is to you women abusers
Last nigga I was with, straight fucking loser
Niggas think 'cause you give them your heart
They can dissect it and rip it apart
Mmm-mm not I, one niggas in my eye
Paybacks a mothafucker put that on the sty
You lost a good bitch nigga you can't front
Lil' Kim is everything a man could ever want (and thats
real)

I pray for love (everyday)
I pray for love (and everynight)
I pray for love, joy, peace and happiness
(Mm-mm not I, one niggas in my eye)
I pray for love (everyday yo everyday)
I pray for Love (and everynight, everynight)
I pray for Love, joy peace and happiness
(Payback's a mothafucker put that on the sty)

When the money is gone so is your friends
When the gas runs out there goes your Benz
They just don't make my breed no more
No body lives by the code of the street no more
I dont deal with the nonsense I'm keeping it real
Wanna do buisness with me get in touch with him

Thats right any questions? No you can't ask me
Put your name and your number on the letterhead and
fax me

Seventy-five grand and thats just for conversation

I'm a remain loyal while you crumble like the foil
Its tradition to rock diamonds in my crown, I'm royal
Niggas aint believing they thought it was over
Baby girl rising up like the early morning sun
Y'all think ya know but y'all have no idea
What the fuck I've been going through thesse last
seven years(aww man)

I pray for love (everyday yo everyday yo)
I pray for love (and everynight and everynight)
I pray for love, joy, peace and happiness

the Moheegans)
I pray for love (and everynite) (after me ther'll be
nobody)
I pray for love, joy, peace, and happiness

(No body lives by the code of the street no more)
(word)

Thats all, I dont ask for much
It makes me happy to see my people smile (I pray for)
You know what I'm saying?(I pray for love)
I ain't a hater I dont even like saying the word
(No body lives by the code of the street no more)
I'd sacrifice everything I have right now
To have my man B.I.G.G.E here with me (I pray for love)
See thats just how I am- 'cause I'm a rider
(Keep the family together, god knows I've tried)
