"Now you've seen this before
Don't, don't tell me what's been happening
Okay, just let me sit here, enjoy"
Yea yea yea yea - I'm back
Aw yeah - I'm back
I'm back, and I'm about to murder cats
Aw yeah - I'm back
I'm back
Yea yea - I'm back
I'm back, and I'm about to murder cats

If you see a 745 and a body that's wide
Take a peak and make sure ain't nobody inside
Fuckin with the Bee you might not make it alive
Cause it's MURDAHHHain't talkin Irv and Ja
Y'all sleep on baby girl, I seldom frown
Spit the shank out my mouth, and bust you down
Biggie left me the torch, so I'm holdin it now
And you sick cause I'm a bitch and I'm holdin it down
If Styles say get you, without no doubt
I'm a set you real good then I'm airin you out
Rep your coast, we got the crack, one hit you
overdosed
That shadow that you see, that's my motherfucker
Ghost
(Whattup nigga?) S.P., Lil' Kim, we in it to win it
Do a bid for my crimey, that's my co-defendant
And you snitch niggaz tryin to get a nigga locked up
Come through in the ice and truck and tear your whole
block up

Fuck that, bitches don't deserve to rap - yea yea yea
yea
And I'm about to murder cats - aw yeah
And I'm about to murder cats - yea yea yea yea (She
Bonnie, I'm Clyde)
(I kill your mom and watch you stand there traumatized)
Fuck that, bitches don't deserve to rap - yea yea yea
yea
And I'm about to murder cats - aw yeah
And I'm about to murder cats - yea yea yea yea
(It's the Ghost and the Queen, motherfucker get in

touch with us)

You know the Ghost'll steal your soul from you
Lil' Kim'll pull the four and leave a motherfuckin hole in
you
I need an antidote to take away the pain
I gotta smoke weed or crack a nigga canteloupe
I used to dream of this (I used to) but now I got
The money and the house and the shit seem
meaningless
(What's it all worth?) If the grind don't ever stop (huh)
Then my mind won't ever stop, nine won't ever stop
(uh-uh)
They say you too violent (fuck you) I say you too silent
You scared to represent, I'ma make the news column
This is Holiday and Lil' Kim (yes it is)
Bust your gun, sell your crack, puff your weed, drink a
lil' gin
(Go ahead) Watch the drama ride (watch it) she
Bonnie, I'm Clyde
I kill your mom and watch you stand there traunitized
You can't fuck with us (sho' can't) you think you could?
It's the Ghost and the Queen, motherfucker get in
touch with us

Fuck that, bitches don't deserve to rap - yea yea yea
yea
And I'm about to murder cats - aw yeah
And I'm about to murder cats - yea yea yea yea (She
Bonnie, I'm Clyde)
(I kill your mom and watch you stand there traunitized)
Fuck that, bitches don't deserve to rap - yea yea yea
