[50 Cent]
New York City,
you are now rappin' with 50 Cent
you gotta love it

I just wanna chill and twist a lot
Catch sunshine in my 745
You drive me crazy, shorty I
Need to see you and feel you next to me
I'll provide everything you need and I
Like your smile, I don't wanna see you cry
Got some questions that I gotta ask and I
Hope you can come up with the answers babe

[Nate Dogg]
Girl, you seem to love me now
Would you love me if I was down and out
Would you still, have love for me?

Girl, you seem to love me now
Would you love me if I was down and out?
Would you still, have love for me?

[50 Cent]
If I fell off tomorrow, would you still love me?
If I didn't smell so good, would you still hug me?
If I got locked up and sentenced to a quarter century
Could I count on you to be there to support me
mentally?
If I went back to a Hoop-D from a Benz
Would you poof and disappear, like some of my
friends?
If I was hit and I was hurt would you be my side?
If it was time to put in work would you be down to ride?
I get out and peel a nigga cap and chill in drive
I'm asking questions to find out how you feel inside
If I ain't rap 'cause I was flip burgers in Burger King
Would you be ashamed to tell your friends you're
feeling me?
In the bed, if I use my tongue would you like that?
If I wrote you a love letter, would you write back?

Now we can have a little drink, you know a Nightcap
And we can go do what you like, I know you like that

[Nate Dogg]

Girl, you seem to love me now
Would you love me if I was down and out?
Would you still, have love for me?

Girl, you seem to love me now
Would you love me if I was down and out?
Would you still, have love for me?

[50 Cent]

Now would you leave me if your father, found out I was
thugging?
Do you believe me when I tell you, you the one I'm
loving
Are you mad 'cause I'm asking you 21 questions?
Are you my soulmate? 'Cause if so, girl you're a
blessing
Do you trust me enough, to tell me your dreams?
I'm staring at you tryna figure how you got in them
jeans
If I was down would you say things to make me smile?
I treat you how you want to be treated, just teach me
how
If I was with some other chick and someone happened
to see
And when you asked me about it I said "It wasn't me"
Would you believe me?
Or up and leave me?
How deep is our bond?
If that's all it takes for you to be gone
We only humans girl we make mistakes
To make it up I do whatever it take
I love you like a fat kid love cake
You know my style
I'll say anything to make you smile

[Nate Dogg]

Girl, you seem to love me now
Would you love me if I was down and out?
Would you still, have love for me?

Girl, you seem to love me now
Would you love me if I was down and out?
Would you still, have love for me?

[Nate Dogg]

Could you love me in a Bentley?
Could you love me on a bus?

I'll ask 21 questions and they all about us

Could you love me in a Bentley?

Could you love me on a bus?

I'll ask 21 questions and they all about us

"Baltimo' City, New York City

You are now rockin' to the sounds of ya girl Little Mo

You can't hate on me

Cuz I just wanna chill and take a ride

Shot gun in ya 7-45

Oh baby you know I got ya back, and I need to feel you
next to me

We got a baby and you know that I

would have another, man I want ur child

Sometimes I really wanna cry, cuz the love is so good

Boy, if you really love me now

Can we walk down the aisle?

Cuz you, know I'm gonna hold you down

Cuz when you was down and out

I was still around

You gettin' money now, but I still got love for you

If you fell off tomorrow you could stay at my crib

If you didn't smell so good I still would have ur kid

If you got locked up I'd put money on ur books

I'd marry you through congical visits and it'd be off
the hook

You could still keep the hoopty if you couldn't cop a
Benz

Boy I'd never dip out like some of ur friends

If the boys try to get you I'd be by ur side

You might flee if I'm set it off and you know I'll
ride

If you gotta peel a cap baby, do it papi

And if a chick wanna a piece of me I know you got me

You have to work at Mciedie's or Burger King I'd be
there for you cuz I know we gotta eat

I ain't got too many friends, you know that babe

If you use ur tongue baby I'll behave

You know I don't drink cuz I wanna have ur baby

Cuz I'm ur girl and them other chicks is maybe

Boy, if you really love me now

Can we walk down the aisle?

Cuz you know I'm gonna hold you down

Cuz when you was down and out

I was still around

You gettin' money now, but I still got love for you

If you only knew how I feel
Boy you would know that my love is for real
21 answers to the questions you got

If you only knew how I feel
Boy you would know that my love is for real
