[missy]

Yes

You have just entered

The year 2000

And they've just arrived

Ready to take us outer space

To another planet

Where there's only one club

And one disco, ooh

And they wanna show us how

Heh heh, they boogie, uhh

[lil' mo]

Got a strange call from a girl

In the midst of the night, uh huh

She said you better call your man

Cause he sleepin' right here tonight

So i put on my coat

And my hat and then put on my shoes, yeah yeah

I said bitch don't you move

Cause i'll be seeing you soon

It only took me

[chorus]

In five minutes, i was knockin' at the door

In two minutes, i had her on the floor

In one minute, i was fightin' wit' my man

Yes i did it, and i told his tail to scam

In five minutes, i was knockin' at the door

In two minutes, i had her on the floor

In one minute, i was fightin' wit' my man

Yes i did it, and i told his tail to scam

[lil' mo]

Saw a few scratches on my car

Just the other day, yeah yeah yeah

Neighbor around my way

Said she saw you drivin' away

So i put two together

And i found myself ready to go, whoa whoa

Before she even knew it
I was comin' down the road
It only took me

[chorus]

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man
Yes i did it, and i told his tail to scam

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man
Yes i did it, and i told his tail to scam

[bridge]

Be a hoe
I'm kickin' you up out the door
I hope you know
Like coolio, you gotta go
Don't even think
I'm gonna let you hang around
Got your drawz down
Lookin' stupid like a clown

Be a hoe
I'm kickin' you up out the door
I hope you know
Like coolio, you gotta go
Don't even think
I'm gonna let you hang around
Got your drawz down
Lookin' stupid like a clown

[chorus]

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man
Yes i did it, and i told his tail to scam

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man
Yes i did it, and i told his tail to scam

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man

Yes i did it, and i told his tail to scam

In five minutes, i was knockin' at the door
In two minutes, i had her on the floor
In one minute, i was fightin' wit' my man
Yes i did it, and i told his tail to scam

Freaky freaky

Freaky freaky

Yes, eh heh

It's the year 2000

And they will be back

To take us to outer space

To their planet

Where there's only one club

Where there's only one disco

And you know what they wanna show us

Ooh, you know what they wanna show us

How they boogie (yo, yo, yo)

[lil' mo]

Yo, don't know what they told you, but

They done told you wrong

Bet i go back and tell 'em again

And make sure you here it all

Don't come up in my mellinium talkin' bout

Girl, this my song

If you don't know how to bounce to this

Then try to play it off

It's just like a movie, everybody wanna see

In the 2 g, how she dress like me

They say "who's she?", she's fly as can be

Got a groupie, off a hoochie

I got lucci, mad cheese in the bank

And my crew be, straight flossin' wit' me

Even hootie, wanna blow like me

Heard he wanna be a lil' mo like me, what

[missy]

Uh, uh uh uh, uh uh uh

Check it out now, uh uh uh, uh uh uh uh

Break it down now, uh uh uh, uh uh uh uh

Ah heh he
