Lil Mo:

Tryna think of what this feels like  
Cause I don't wanna really know what it is  
I don't know just where to begin  
Tell you why this has to end oh  
Think I'm gonna start right here  
Just when I thought about giving up  
Just when I thought I was about to run on E  
That's when you pulled up to my heart and said  
you wanna ride with me  
And it was something bout you that seemed  
so different, so different  
Something I never felt (something I never felt)  
But now it seems I lost myself tryna find you  
Feels like I'm living a lie for you  
And now it's time to tell the truth  
I Love Me (oh I love me)  
More than I love you (ah baby)  
Yes I do (ah baby)  
I Love Me  
Somebody out there know what I'm talking bout  
Tweet you gotta help me sing this song, sing this song

Tweet:

I'm tired of walking a thin line  
and hitting walls of regret  
Its better that we call it quits  
think we need to stop right here  
Just when I thought about giving up  
when I was about to run on E  
That's when you pulled up to my heart  
And said that you wanna come ride with me  
Cause love with you seems so innocent, even heaven  
sent  
Every thing I ever dreamed yeah (everything I ever  
dreamed)  
It feels like I forced myself tryna love you  
It's like I'm stretching the line of truth  
It's time to turn it loose  
I Love Me (oh I love me)  
More than I love you  
I Love Me

I Love Me  
More than I Love you (hey baby)  
Because you changed and I no longer give to you  
Love remains here with me (here with me)

Lil Mo:  
And I made it though the pain  
And now I finally see so clearly  
I Love Me (yeah)  
More than I love you  
I love me to the core  
More than I love you  
As much as I love you  
I love me more  
I know that it might sound crazy  
Cause your a good man  
Just not good man for me  
There's my apology  
I gotta return immediately  
Don't worry about the house, you can have it  
Don't worry about the car, you can drive it  
I'll go and get another one cause I got it
