uh uh this is for the streets

there's so much drama up in NYC
I'm tyin' to make this dolla only got 15
the grass don't grow and the birds don't sing
where police be hollrin' where my crew is, (bout it bout
it)
this little life of mine (you see) have me sittin' on 20's
for I
turn 16, wouldn't trade it in for Anything!
I gotta nuttin' but love..

Chorus

Love for the streets the streets got love for me, Gotta
keep it Gansta
(everyday) can't change what's inside of me, so baby
can take me out
streets, but can't take the streets outa of me, I'ma keep
it gansta
Cause the streets go right for me.

It's like everywhere I go, everywhere I be, the streets
biggin' me up
from west to east, down to the dirty dirty and over
seas, they be showin'
lovin' love, all my people throw it up, we gone always
shine, you see,
'cause when I needed you you were there for me, my
heart my soul,
your why I sing,
'cuz I got nuttin' but love

Chorus

Bridge

In the Morning when I rise, you were always on my mind,
when i go
to bed at night, you will still be on my side, never let me
down
so I'll never let you go, this is dedicated to the streets
yo got my heart

Chorus 3x

hey uh uh this is for the steets, so go on with ya gansta
self
this is for the streerts I see ya see ya ok
