Boy...

You must think this is the Holiday Inn
You must think that you can always get in
But you don't, you don't pay no rent here
So I'm about to break it down to ya
Break it down my dear(Oh)
You must think cuz that you lay your hat here
It gives you right to be a rollin stone but
I don't know who told you that
Because baby they told you wrong

[Chorus:]

Because it's not like you live here
You just stay from time to time
And even though you can get in
Your key ain't gonna work tonight
Cause your about to get evicted
I'm hanging up my no vacancy sign
Because you missed check in
This house ain't no hotel tonight

You must think this is the Sheraton Suites
And you can come and go as you please
You must think that you're VIP
You ain't respect the queen event hough I treated you
like a king
And I don't think you really know what I mean
When I say I'm takin back my keys
You must not take me seriously
Well I don't know who told you that
But baby take it from me

[Bridge:]

Cause it's over(It's over)
No do-overs(Do-overs)
No more mistakes, Are left for you to make
And I've got way too many complaints
And there's just so much I can take

[Chorus]

No hotel tonight

Oh baby
No hotel tonight
Cuz I'm hanging
No vacancy sign
Oh baby
No hotel tonight
Oh baby... Because

[Chorus: Til Song Fades]
