Meet me on the floor  
Meet me, meet me on the floor

My girls... drop curls in my hair  
I'm gonna sweat em out  
I got my pocket full of chips million dollar hips  
And I'm gonna let em out  
'Cause we're on the floor, we're on the floor  
We're on the floor, we're on the floor  
Soon as the Dj play my song I'ma put it on  
Yeah I'm in the zone baby you ain't...

We can fuck it out straight in my...  
You came here to talk with some money in your mouth  
I'ma show you how to work it out  
We're on the floor, work it out  
We're on the floor, work it out

I do my thing like I do and I am...  
... you're tryin to get it too  
And the cameras be flashing and flashin  
We're posing they snapping  
Flashing and flashin  
We're posing they snapping

... in the tempts, took a few... from my glass and I put it  
down  
I play no games with this you know what it is  
I'm gonna show you how  
We're on the floor, we're on the floor  
We're on the floor, we're on the floor  
No drama no pressure baby hit but I don't even stressin  
No matter what I do them...  
Ain't if funny how soon as I wanna...  
I took it straight to... refreshing  
It's a... for your... industry please act like it all  
... say it again like...  
If you really wanna get up please meet me on the floor  
If you think you're worry and you're wrong, you're  
wrong  
I just came in here to party and I'm gonna

Baby I know that you want you me and the... probably  
'Cause I'm sure when...

The way it... all the men coming with you so  
Meet me on the floor, meet me on the floor

Meet me on the floor, meet me on the floor, meet me  
... On the wall...  
Meet me on the floor, meet me on the floor

Work it out, work work work it out...

We on the floor, we on the floor,  
We on the floor, we on the floor  
Pop pop girl girls girls  
A lot of brief, hey hey hey hey  
... that's how we're doing  
Hands in the air  
Woke up in the club like what up what up  
We don't seat down we just cut up cut up  
On the floor no one does it better  
Did I...  
Where my girls get your back...  
They gonna tell em  
Who... wants back with no feature  
Say ym own raps...  
Got my hair deled up, my nails deled up  
You wanna dance you better keep up  
Got my perfume... smell good plus  
I got... when I pull up  
Flashing and flashin  
We're posing they snapping  
And you know you... when you know...  
So I treat the dance floor like a photo...

Meet me on the floor, meet me meet me on the floor...  
Meet me on the floor,...  
Work it out, work work work it out
