Shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

I coulda been such a fool not to see something so
visible
Yes I was blinded by the physical
And you kept me from being seen with you
Still I guess I couldn't see right through
That you had another side to you, shoulda known

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

We always met at the private place, my place or a
secret rendezvous
When I asked where you lived, you give the same
excuse
I never met your kids ever been to your crib
Never met your family, your friends
After 2 years I'm convinced but I'm confused baby

That my perfect gentleman cheated me
But I can't love any man
Just to think this thing going on
It makes more sense, baby I

Shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
Shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

You were the one that I wanted

You were the one that I needed
But someone already has you
Baby I feel so defeated

You were the one that I wanted
You were the one that I needed
But someone already has you
Baby how somebody see it

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true

I shoulda known you had a girl
Shoulda known you had someone to go home to
I shoulda known you was too good to be true
I shoulda known your time was taken
Shoulda known that someone was loving you
I shoulda known you was too good to be true
