2 Worlds, 2 Girls, It Turns Into A Love Triangle  
I'll Tell You All About It

So As I Zoom On Blowing Smoke To Get The \_ Perfume  
Off  
I Try To Make It Home At A Decent Time So I Don't Look  
Suspicious  
Check The Cell Phone, Erase All The Pictures  
Baby Got Me Twisted, Delete Text Mails  
I Need To Slow Down, Breathe, Exhale  
I Crept Through My House Like I'm On Eggshells  
I Was Almost In My Bed So She Believe The Next Tale

Make Me So Happy  
And I Don't Wanna Go Home  
You Know I'd Rather To Get With You Than Leave Him  
Alone  
Cos You Know Just What To Say, It Seems Like You  
Understand  
You Know Me Just Like A Book, Just Like The Back Of  
Your Hand  
And...

Sometimes I Lay In My Bed  
And Think, What Would It Be Like If You Was In My Life  
And By My Side  
Oh Boy I Can Not Lie  
'cos Sometimes I, Sometimes I Wish You Was My Man  
Wish You Was My Man

'cos, You'd Be Checking Up On Me  
You Make Sure That I'm Ok  
You Say That If I Need Anything You're A Phonecall  
Away  
Because My Own Man Don't Take The Time, He Don't  
Understand  
You Treat Me Like I Wanna Be Treated But You're Not  
My Man

Oh No, You're Not My Man  
Oh No, You're Not My Man  
You Treat Me Like I Wanna Be Treated But You're Not

My Man

And...

Sometimes I Lay In My Bed  
And Think, What Would It Be Like If You Was In My Life  
And By My Side  
Oh Boy I Can Not Lie  
'cos Sometimes I, Sometimes I Wish You Was My Man  
Wish You Was My Man

So I Would Be More Secure  
And I Don't Wanna Cheat  
You're Making It Deep...

Sometimes I Lay In My Bed  
And Think, What Would It Be Like If You Was In My Life  
And By My Side  
Oh Boy I Can Not Lie  
'cos Sometimes I, Sometimes I Wish You Was My Man  
Wish You Was My Man, My Man, My Man  
'cos My Man Don't Understand  
'cos Sometimes I Lay In My Bed  
And I, And Think What Would It Be Like  
Sometimes I Wish You Were My Man
