I know I'm gonna ruffle some feathers with this one
This is for my shorty, shorty

I don't wanna feel like I'm robbin the cradle
And I don't wanna feel like I'm takin mamma's baby, no
But I know what it looks like and what it really is
I know it don't look right, but he's not a kid, no

Cuz it's whatever (It's whatever)
You wanna call it (hey)
That's my homie (That's my homie)
He's my shorty, hey

That's my youngin, That's my youngin
That's my youngin, That's my youngin
He's only 21 (He's only 21)
But he's got experience (He's got experience)
And he helped me get my groove back, my groove
back
Believe that

I know age is just a number but I'm feelin like Stella
(Got him by 7 years)
Oh yes I'm feelin like I'm Stella
Finally found a shorty that's down for whatever (He's
down for whatever)
Oh when it's time to roll, whenever I wanna get low
I swear he handles his business like he's grown
And, he's not insecure
Yes he's so mature, What more could a woman ask for

Cuz it's whatever (It's whatever)
You wanna call it (Whatever you wanna call it, whatever
you wanna call it)
That's my homie (That's my little homie)
He's my shorty, hey

That's my youngin, That's my youngin
That's my youngin, That's my youngin
He's only 21 (He's only 21)
But he's got experience (He's got experience)
And he helped me get my groove back, my groove

back
Believe that

Da Brat
My youngin only 21 like Omarion
He got go in him, like he runnin a marathon
Nothin slow wit him
And when it come to the paper chase, he go get em
He handle the BI till the sun come up cuz he a cold
nigga
And that happened to be why I had to sick him
I threw the pussy cat doll on him
Cuz imma stick wit him
That's my baby and I'm his sitter
When the bases loaded he my homerun hitter
When my face folded he knows how to fix it
Business pleasure, he don't mix it
It's whatever we just kick it
And I don't give a damn what nobody say
These butterflies ain't goin away
I love his little baby face
And I only think of him on two occasions, that's night
and day, yea

That's my youngin, That's my youngin
That's my youngin, That's my youngin
He's only 21 (He's only 21)
But he's got experience (He's got experience)
And he helped me get my groove back, my groove
back
Believe that

He's only 21
But he's got experience
He's only 21
That's my youngin
He's only 21
But he's got experience
And he helped me get my groove back
That's my youngin
