Why are you afraid of the dark tonight, little one  
I'm right beside you  
Why are you afraid of the dark tonight, little one  
I'm right beside you  
Sleep

I closed my eyes but the night wouldn't go away  
Will my covers keep me safe?  
If I can reach into my dreams it'll be okay  
But you said

Why are you afraid of the dark tonight, little one  
I'm right beside you  
Why are you afraid of the dark tonight, little one  
I'm right beside you  
Sleep

I can't see into tomorrow  
But when I look ahead you're there  
A long way off but maybe I'll reach you by morning  
I don't know what's coming next  
But I know what lies behind  
And I'm not going back to safety  
Did you turn off all the lights to help me?

Why are you afraid of the dark tonight, little one  
I'm right beside you  
Why are you afraid of the dark tonight, little one  
I'm right beside you  
Sleep  
[x2]

When I can't see  
Lead me  
Almighty

Why are you afraid of the dark tonight, little one  
I'm right beside you  
Why are you afraid of the dark tonight, little one  
I'm right beside you  
Sleep
