Tough boy, are you lonely tonight
As tomorrow turns today
Home is far, far
But even when you're there
I think it's safe to say
We're all the same
Can anybody say that you were never afraid
And I complain
But it echoes in my head
As I was taught to say

When you can question everything
Cloudy nights bring sunny mornings
Filled with dew drops in the summer
And even heartache rolls it's charms
Cloudy nights bring stormy answers
When my heart is filled with questions
I know that heartache is so hard

Strong boy, you're a phoney tonight
And no one sees the lies
It's tough to think that you're the only lonely shell
tonight
But we're all the same
Can anybody say that you were never afraid
And if it's okay today
Hooray, hooray
But I feel the same way

When you can question everything
Cloudy nights bring sunny mornings
Filled with dew drops in the summer
And even heartache rolls it's charms
Cloudy nights bring stormy answers
When my heart is filled with questions
I know that heartache is so hard

It seems like yesterday's song
Is still today
It feels like yesterday's sad song
Will stay in our way

Cloudy nights bring sunny mornings
Filled with dew drops in the summer
And even heartache rolls it's charms
Cloudy nights bring stormy answers
When my heart is filled with questions
I know that heartache is so hard

Cloudy nights bring sunny mornings
Filled with dew drops in the summer
And even heartache rolls it's charms
Cloudy nights bring stormy answers
When my heart is filled with questions
I know that heartache is so hard

Cloudy nights bring sunny mornings
Filled with dew drops in the summer
And even heartache rolls it's charms
Cloudy nights bring stormy answers
When my heart is filled with questions
I know that heartache is so hard
