Hit it

Romeo, Romeo it takes two to make a thing go rite
Romeo, oh Romeo it takes two to make it out of site

Romeo, Romeo it takes two to make a thing go rite
Romeo, oh Romeo it takes two to make it out of site

I wanna rock rite now I'm Lil Romeo
And I came to get down
I'm not internationally known
But I'm known to rock the microphone

Call me a pretty boy
Crown me the greatest a new no limit
Y'all can't fade this you know I'm a winner sho not a
loser
P. Miller clothes is what I choose y'all

Ladies love me, girls adore me
I mean even the ones that never saw me
Like the way I rhyme at a show
The reason why who die I don't know, okay yeah

Romeo, Romeo, it takes two to make a thing go rite
Romeo, oh Romeo, it takes two to make it out of site

Romeo, Romeo, it takes two to make a thing go rite
Romeo, oh Romeo, it takes two to make it out of site
Romeo, oh Romeo

Game time, hair done up, hang time
The tank shine, two way on ya waist line
Young P role wrist and neck below zero
I'm the best thing to come in the game ask Cleo

Holla back youngin'
Pop ya colla call me Richie Rich I got a dog name Dolla
Custom made 20's on my ride but I keep it lock down
'Cuz I'm to young to drive

I got bank loads of pesos
So my 'Love Don't Cost a Thing' like J-Lo

I'm a baller ma I don't play with playdoh
You seen cribs so that's how we roll

It takes two to make a thing go rite
Romeo, Romeo, it takes two to make it out of site

Romeo, oh Romeo, it takes two to make a thing go rite
Romeo, Romeo, it takes two to make it out of site

Romeo, oh Romeo
Okay

You got Game, give it to the haters
Y'all get fame we get paper
Rome be Kobe, I be Shaq
Come back get double-platinum back to back

Grown folks watchin' girls be jockin'
Oohwwee, the tank ain't stoppin'
Come on the bench and win it that's just in me
Drop the top nothin' less than the Bentley
Don't twist the game we reversed it back
Rome and Silkk, now how you luv that

It takes two to make it out of site
Romeo, oh Romeo it takes two to make a thing go rite
Romeo, Romeo, it takes two to make it out of site

Romeo, Romeo
Okay

Six Flags, I got the dolo platinum tanks that the lobo
You know u suppose to bounce to this
I'm 12 years old with 21 karats around my wrist
So wats up doc the party don't stop
These no limit boys gone drop it like it's hot

It takes two to make a thing go rite
It takes two to make it out of site

It takes two to make a thing go rite
It takes two to make it out of site

It takes two to make
It takes two to make
It takes two to make

It takes two, it takes two
It takes two, it takes two, okay
It takes two, it takes two
It takes two, it takes two, okay
