It takes 2 to make the thing go right.
Romeo, oh Romeo.
It takes 2 to make it out of sight.

[Verse 1 - Lil' Romeo]

I'm Lil'Rome and I came to get down,
I'm not internationally known,
But I'm known to rock the microphone,
Call me a pretty boy, crown me the greatest,
The new Nolimit ya'll can't fade us,
You know I'm a winner, soo not a loser,
P.Miller clothes is what I choose ya,
Ladies love me, girls adore me I mean,
Even the ones that never saw me,
Like the way that I rhyme at a show,
The reason why, woody I don't know ok, yeah.

[Chorus]

Romeo, Romeo.
It takes two to make the thing go right.
It takes two, it takes two.
It takes two to make it out of sight.
It takes two, it takes two, ok.

It takes two to make the thing go right.
It takes two, it takes two,
It takes two to make it out of sight,
It takes two, it takes two.

So my love don't cost a thing like J.Lo,
I'm a baller ma I don't play wit play-doh,

[Chorus]

.It takes two to make the thing go right.
It takes two, it takes two.
It takes two to make it out of sight.
It takes two, it takes two, ok.
It takes two to make the thing go right.

It takes two to make it out of sight,
It takes two, it takes two, ok.
