i wanna ask you one question  
you wanna be my juliet  
or other words we can just be friends  
la la la la la la la...

mary had a boyfriend, his name was romeo  
and everywhere that romie went  
the girls were sure to go

i'll be your boyfriend, i'll be your girlfriend  
i'll be your boyfriend, i'll be your girlfriend  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl

im lookin for a girl who can touch my heart  
someone pretty, quiet, she gotta be smart  
hair curly, dimples, beautiful smile  
sense of humour, sweet, too shy to be wild  
likes music, on top of her grades, an a-student  
a dime from her head to her toes, a shot from cupid  
write letters to let me know how she feel  
one of a kind on a team, you know that she real  
my juliet, call her my baby boo  
aint no other girl make me feel like you  
you always on time, you know that you mine  
when i first met you ma i knew it was real  
im thinkin movies and popcorn, whats the deal  
im a lil soulja so we all need love  
you be the baseball, i'll be the glove  
i mean after school we could walk together  
heres my 2 way girl and we could talk forever  
who cares, you care, we like ja and ashanti we real

i'll be your boyfriend, i'll be your girlfriend  
i'll be your boyfriend, i'll be your girlfriend  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl

long hikes, even got his and her bikes  
i wouldnt know what to do if she was out of my life  
we've been together so long, she consider my wife  
we got a lot in common, she even likes what i like  
take pictures, she hangs with my sisters  
the lovable type, lots of hugs and kisses  
i take time off just to be with my girl  
she'll mack, laces on, shes a part of my world  
if feelings was all we could paint together  
if love is like ice we could bling together  
my lucky charm, i mean my four clover  
we young now but i cant wait till we older

i'll be your boyfriend, i'll be your girlfriend  
i'll be your boyfriend, i'll be your girlfriend  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl  
if, i'll be your boy would you be my girl
