*[Chorus]*

I know you gonna let me shine right  
Me and my dawgs we be ballin all night  
Why? the ice that we rock is all nice  
Why? them girls that we know is all tight  
I know you gonna let me shine right  
Me and my dawgs we be ballin all night  
Why? the ice that we rock is all nice  
Why? them girls that we know is all tight

*[Verse 1]*

Let's go, its the one and only rom me oh  
I got more dough than cookie shops so  
I sign more chests than Nike stores sold  
I'm kinda like Ness, I go wherever the money go  
I mean this dude is all bout the cheerios  
I ain't ATM, make 7-figure digitals  
But I ain't here to brag, I'm here to dance  
See what you can do in them Passion pants  
You wear em good but that is that  
Work them jeans, move up and back  
Now let me see ya come around like that  
I like to have fun and thangs, I'm never gonna change  
I can't leave home without my platinum chain  
Man, I like to play but its not a game  
and I got more ice than Alaska mayne  
Richboyz ride benz, we don't push no jeep  
We in the park man, about 30 deep  
I got the hood from my pops, we was born to ball  
R.I.P. Lil' Fred, put cha name on the wall, yeah

*[Chorus]*

*[Breakdown]*

She's so fly, She's so fine  
and you know I'm gonna make her mine

*[Girl]*

He's so fly, Romeo fine  
you know I'm gonna make him mine

*[Verse 2]*

Yep, thats how all say when they see me  
Romeo, you look so different from Chingy

can you call me? or maybe text me  
I know you can get tired of these young girls asking  
[Girl:] (I could be a demi) You could be an ashton  
It ain't a movie, I'm the main attraction  
Jumping off bentleys, sitting on spinners  
This ain't no hoops but who got winners?  
I'm be around for awhile, check the roley  
I'm quick like Mike Bibby, you haters can't hold me  
Call me the champ, the title is mine  
I'm like a young Ali, back in his prime  
I'm changing the game, it ain't bout the fame  
I'm only a teen with a whole lotta change  
We only play with them platinum toys  
The New No Limit, y'all make some noise, yeah

*[Chorus]*

*[Verse 3: Master P]*

These boys can't touch me mayne  
Diesel on the beat, don't let me pump ya mayne  
Call me Jackhammer, cause I'm running thangs  
I got enough money to feed the country mayne  
Fly A G4 but they can't touch me mayne  
First Father & Son to get money  
Haters try to sue us but y'all get nothing  
I'm the Shaq now, playing for the kidd  
With Mike, Christian, Brad trying to get ranged  
So bring the heat, love the streets  
I'm like Doug man, I can't be beat  
I'm a thug but I love the kids  
Y'all do it small but we does it big

*[Chorus]*
