*[Lil' Romeo]*

Little Soldiers need love  
Little kisses and hugs  
Come get wit these thugs  
I'm tellin' you I'm livin' it up  
We can walk through the park, hold hands to it stop  
It's somethin' about you I don't know but it touches my  
heart  
In school you make me blush  
Yeah It's all about us  
Haters constantly hatin' always talkin' bout us  
Understand I'm your man, so why go talk to a friend  
Regardless of what they say, we gonna rap to the end  
My little mommy, I'm sayin' my little dime piece  
My baby, my boo, my future wifey  
I'm keepin' it real thats why you friends don't like me  
They jealous, they want a little soldier like me

*[Chorus: Lil' Romeo - repeat 2x]*

Little soldiers need love  
Little soldiers need love  
Little soldiers need love  
Don't, Don't, Don't hurt me again

*[Lil' Romeo]*

Four months past  
We still pitchin' letters in class  
I'm bugs your babes bunny, you always makin' me  
laugh  
We ride bumper cars and rollarcoasters together  
Your my best friend, I'll remember you forever  
Like when the first time I saw you I just had ta speak

Heard of love it first sight so it just had ta be  
I took your hand  
Your my girl I'm your man  
It's funny ain't it, yesterday we was just friends  
Everyday I think about you, some times I dream about  
you  
If I had some corn without you it wouldn't be fair  
I know so much about you, look ma there's somethin I  
need to tell you

*[Chorus: Lil' Romeo - repeat 2x]*

*[Lil' Romeo]*

I hear you movin'  
What about us? What are you doin'?  
Two years now, everything we hoped for is ruined  
How could you leave how could you do this to me  
I'm to young to be in love, how foolish of me  
Thinkin' sometimes love comes to an end  
I can't believe it I'm never gonna see you again  
How could you hurt me  
You said you would never desert me  
But these feelings that I have for you  
You was my first kiss, my first love  
1,000 miles away, we can't even hug  
If we could do it all over I would keep it the same  
Romeo and Juliett, write your name in the sand

*[Chorus: Lil' Romeo - repeat 2x]*
