You all I need  
(Little souljas need love)  
Soulajarets need love too  
(Little souljas need love)  
Well I never hurt you  
I mean you the one  
(Little souljas need love)  
(Don't, don't, don't hurt me again)

Little souljas need love  
Little kisses and hugs  
Come get wit these thugs  
I'm tellin' you I'm livin' it up

We can walk through the park  
Hold hands to it stop  
It's somethin' about you  
I don't know but it touches my heart

In school you make me blush  
Yeah, it's all about us  
Haters constantly hatin'  
Always talkin' 'bout us

Understand I'm your man  
So why go talk to a friend  
Regardless of what they say  
We gonna rap to the end

My little mommy  
I'm sayin' my little dime piece  
My baby, my boo, my future wifey I'm keepin' it real  
That's why you friends don't like me  
They jealous, they want a little soldier like me

Little souljas need love  
Little souljas need love  
Little souljas need love  
Don't, don't, don't hurt me again

Little souljas need love  
Little souljas need love

Little souljas need love  
Don't, don't, don't hurt me again

Four months past  
We still pitchin' letters in class  
I'm Bugs your babes Bunny  
You always makin' me laugh

We ride bumper cars  
And rollarcoasters together  
Your my best friend  
I'll remember you forever

Like when the first time  
I saw you I just had to speak  
Heard of love it first sight  
So it just had to be

I took your hand  
Your my girl I'm your man  
It's funny ain't it  
Yesterday we was just friends

Everyday I think about you  
Some times I dream about you  
Therefore if I had to go on without you

It wouldn't be fair  
I know so much about you  
Look ma there's somethin'  
I need to tell you

Little souljas need love  
Little souljas need love  
Little souljas need love  
Don't, don't, don't hurt me again

Little souljas need love  
Little souljas need love  
Little souljas need love  
Don't, don't, don't hurt me again

I hear you movin'  
What about us? What are you doin'?  
Two years now  
Everything we hoped for is ruined

How could you leave?  
How could you do this to me?  
I'm to young to be in love  
How foolish of me

Thinkin' sometimes love comes to an end  
I can't believe it I'm never gonna see you again  
How could you hurt me?  
You said you would never desert me

But these feeling that I have inside of me  
Deserving fan, you was the stain in my rug  
My first kiss, my first love  
A 1,000 miles away, we can't even hug

If we could do it all over  
I would keep it the same  
Romeo and Juliette  
Write your name in the sand

Little souljas need love  
Little souljas need love  
Little souljas need love  
Don't, don't, don't hurt me again

Little souljas need love  
Little souljas need love  
Little souljas need love  
Don't, don't, don't hurt me again
