Thanks for makin' me who I am, ok

[Chorus 1]: Allusion

Boy you're my angel, you're my darlin' angel  
Closer to me than all my peeps, baby  
Boy you're my angel, you're my darlin' angel  
Boy you're my friend in time of need, baby

[Chorus 2]: Master P

If you wanna dance, then I'ma make you dance  
And if you wanna move, then I'ma make you move  
But if ya down with No Limit, say Romeo  
Romeo, Hey Romeo

[Verse 1]: Lil' Romeo

Yeah, y'all know me  
I'm the only kid my age you've seen with a crib on TV  
But that's it respect it, you know No Limit  
GameTime and I came to win it  
I don't play with 'em baby baller, for real  
S3 20 gettin' paid off my skill  
My Daddy showed me how I could do that there  
Supersize all the plaques put braids in my hair  
It's Lil' Rome kickin' it with big P'zy  
Mack daddies, the ballin' ain't easy  
The girls love me and you know the game needs me  
Platinum records, we doin' the thing easy

[Chorus 2]

That's the way, uh-huh uh-huh, I like it, uh-huh uh-huh  
That's the way, uh-huh uh-huh, we like it, uh-huh uh-huh

[Verse 2]: Lil' Romeo

I don't know if it's my raps or how I play ball  
But they act crazy when I go to the mall  
Autograph signin's when I walk in the door  
It's like I'm servin' ice cream, I have you rushin' the  
store

Still lone and seen, P. Miller gear so clean  
I done did a whole lot and I'm barely a teen  
The girlies say they love me it must be the genes  
Cuz everytime, they see me and my Dad they scream,  
ok

[Chorus 1]

[Verse 3]: Lil' Romeo

Baby Hummer wasn't enough, had to get me a Jag  
And I don't lie about nothin', man, look who my Dad  
Got the sound on lock, whodi, I'm the best here  
P. Miller sweats and sneaks we got the best gear  
The girls love me when I step on the stage  
When my babyface glowin' and my hair in a braid  
I know the bodyguards hate when I stop and wave  
And I been in more cities than I have birthdays  
Miller boys it's official, they holdin' it down with me  
The New No Limit you need me, just hit me (Romeo,  
Romeo, Hey Romeo)  
You know I travel worldwide from the west to the east  
I can't drive, I got a chauffeur, I'm in the passenger  
seat  
Girls chasin' me around, wanna know my plans is  
I'm platinum plus, whodi, check the fan mail  
I'ma tell you why I'm here, who's stoppin' me now?  
They know I got a club "Jumpin'" like Destiny Child  
I'm a mini millionaire, pick apart the plate  
Six flags, babygirl, you can have it your way

[Chorus 2 x2]

That's the way, uh-huh uh-huh, I like it, uh-huh uh-huh  
That's the way, uh-huh uh-huh, we like it, uh-huh uh-huh
