Let me be, let me live, okay

I live my biz who im with, what i did  
What i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid  
Hate on a kid, come on  
I live my biz who im with, what i did  
Who im with, what i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid

Picture me, yellow coupe, candy corilla  
My game so cold i could freeze all the mirrors  
And i get with you im an entertainer  
Bet on rome cause thats a no brainer  
They say yes cause we shake em up  
Everybody at the dance floor shake shake with us  
The new no limit we cant be touched  
Beat boy trashed the bomb  
Everybody else mused, hushed  
Like the answer hit a quick dirty  
Rome with security, nothin else cant hurt me  
And dont worry i stay focus in  
And still beatin out the block  
And i think that cant be in it

I live my biz who im with, what i did  
What i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid  
Hate on a kid, come on  
I live my biz who im with, what i did  
Who im with, what i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid

Guess whos back another billboard blocka

Toppin up the game with uncle silkk shocka  
Dad let me loose, told me to burn up the boot  
Did it crackin, lil rome, daddy mackin  
Im complete rappin, game not lackin  
The more i do it the more my money gon be sackin

Plus i got doughs even though i got those  
Still respect mom and dad house, okay  
The new kid on the block, yeah thats me  
From the magazine covers, movies to tv  
Shake shake them haters, its contagous  
The new no limit, lil rome yall cant fade this

I live my biz who im with, what i did  
What i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid  
Hate on a kid, come on  
I live my biz who im with, what i did  
Who im with, what i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid

Now when rome first drop yall thought it was a game  
Comparin him with the kids  
He had little in front of his name  
Energizer bunnies, man we last longer  
75 million records wordie we got stronger  
Cant stop this only the beginning  
The new no limit, we in this to win it  
Rome, richie rich, im the ghettoville  
The first born to son word, a couple of mill  
Had george on the bently, baby swooped it up  
New from  
Grade a diamonds, you know we gon flung  
On every television station but i aint want it

I live my biz who im with, what i did  
What i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid  
Hate on a kid, come on  
I live my biz who im with, what i did  
Who im with, what i did  
Why you cant let me live  
Just let me live  
How you gon hate on a kid
