Dreams of love
My secret is with you
I think of how our love could be
but all my friends say i'm a fool
I don't care
What people have to say
When ever I can I'll be there for you I'm sure I'll find a
way

What ever u do don't break my heart
Where ever you go we're never part
Cause I know our love is strong enough
And you'll always be my secret love

You and I
It's like the book of love
I must have read a thousand pages
but it seems it's not enough
I, wish I
could give the world to you
and when I see a falling star I will make that wish come
true

What ever u do don't break my heart
Where ever you go we're never part

Cause I know our love is strong enough
And you'll always be my secret love

Out of Luck
Out of Hand
Make me understand
Baby please
All I need (is to see)
what it takes for me to win our love
your love

What ever u do don't break my heart
Where ever you go we're never part
Cause I know our love is strong enough
And you'll always be my secret love

And you always be my secret love
And you always be my secret love
my secret love, oh baby, oh yea, forever
