Tell Me A Story, I Believe Oh I Believe
All Things Are Possible On Christmas Eve
(Lil Romeo)

It was the night before Christmas
and all through the house not a creature was stirring
not even a mouse The stockings were hung by the
chimney with care
in hopes that saint nick soon would be there
me my sistas and brothas gettin ready for bed cant
wait to get toys
for more to break bread

moms on her pillow in her pajamas pops silk
Santa claus is coming leave the cookies and milk
(Hilary)

Tell Me a Story i believe oh i believe
all thing are possible on christmas eve
every time i hear that rhyme i love it even more
tell me a story about the night before
(Lil Romeo)

Now could it be a dream.. i think i heard noise jumped
out the bed
